

Village Hall News November 2011

- **Audio Loop:** The audio loop system is now functioning in the Village Hall and we have a new set of table top microphones---information on using the microphones is provided via the *Facilities* link on our webpage.
- **Ceiling Painted:** We are very grateful to Tommy and Ian Sedgwick for their hard work over several days painting the Hall ceiling!
- **Heating:** The heating on weekdays during the winter is set to switch on at 7pm and go off again at 8.30pm. It can at any time be reset via the temperature up and down buttons near the cloakroom door.
- **Stage Lights:** We have purchased two LED stage lights with their control console and these will be fitted soon.
