b) Parish Clerk: Update from the Chair.

The appointment of Simon Rimmer as Parish Clerk has not been able to proceed. Mr Rimmer has withdrawn for personal reasons resulting in the position becoming vacant again. The post has been re-advertised and there are two new candidates being considered. The PC intends to review these and hopes to make an appointment shortly. Exact parameters to be defined but expected to be: £25/ hr - hours capped at 10hrs week; Arrangement to be short term in the expectation that a permanent appointment will be made shortly. 20/2022 **Approval of Minutes 24th March & 26th April by councillors**

22/2022 Public Questions or Statements

A member of the public asked whether the council is now able to sign cheques. Cllr Wardle gave an update on the transfer of the banking mandate. The timeline given by the bank for transfer of mandates is 30 days from receipt of a compliant request. Resolution of the matter is expected 25th May. Direct debits are unaffected. Numerous attempts have been made by Cllr Wardle to expedite the matter without success. The Chair thanked Cllr Wardle for his perseverance & the forbearance of members of those owed money by the PC.

A member of the public said he has a large bill due at the end of next week arising from the planned Jubilee celebrations.

Action: The PC will contact all parties owed money to make a formal apology.

Action: Cllr Strickland has a contact in Coutts Bank and will attempt to apply pressure to speed up the process.

Action: If the matter remains unresolved on the 25th May, the PC will provide a further update to creditors.

23/2022 To Appoint Members to the following Committees for 2022/23.

- a) Finance Committee: Cllrs Wardle & Taylor
- b) Recreation Field Committee (RFC): Cllrs. Strickland & Wardle, Mike Ilsley, Ian Parker.

A member of the public asked for clarification of the structure and working of these committees. The Chair explained that the rules governing PC's require the Finance Committee to be staffed by Councillors. The RFC should be dedicated to getting best use out of the facilities for the village. The PC intends to produce some guidance/terms of reference for the RFC to facilitate this. There are two further committees the Councillors would like to see created:

- 1) Committee or Sub-committee to concentrate on Planning matters (flagging new applications, building a relationship with Craven planners etc.)
 - 2) "Amenities" committee: To work with members of the village to identify opportunities & potential grants to develop the social fabric of the village as a whole.
- 1.

Formal Committees need terms of reference, formal meetings and minutes etc. Sub-committees can be more flexible and responsive e.g. to notify the village/PC on live planning issues. The exact structure is yet to be decided The PC intends to give this further consideration before making a recommendation. Stuart Handley flagged that CDC is being abolished and planning matters are likely to move to Northallerton. Strong representation within the PC is likely to be increasingly important.

Resolved:

Appointments to the two existing committees confirmed as above, subject to discussion of the Chair position of the RFC which is currently occupied by Ian Parker.

24/2022

The Chair recommends renewal of the existing policy.

The Chair highlighted that the value of the pavilion has been uprated by a standard 9% in the policy. The insurers will carry out an insurance valuation for a fee of £145. The Chair proposes this should be undertaken.

25/2022

Consideration of the Purchase of Land (currently for sale with Richard Turner & Sons).
Stuart Handley absented himself from this part of the meeting to avoid any conflict of interest as he works for Richard Turner & Sons. A member of the public made a presentation to the meeting to canvass opinion on attempting to pull together a bid on behalf of the village on Lot 1 (for allotments) and/ or lot 2 (for new woodland creation/carbon sequestration/meadow). The land is due to be sold at auction on 25th May. In view of the tight time scale a member

of the public has carried out some research on spec and informed the meeting that an offer “in principle” has been received for 50% capital funding from White Rose Community Forest. The member of the public asked whether the PC would be supportive of a request to the vendor to defer the sale to allow more time for the village to consider a purchase and launch a fundraising campaign.

The PC expressed general support for the ideas presented, but stated it is not in a position to recommend action toward a land purchase. The PC is new and does not yet have a set of agreed priorities to guide the making of capital expenditure from reserves. In respect of allotments an assessment of demand would be required to support an application for expenditure

Resolved: No further action required from the PC at this stage.

26/2022 **Items from the Standing Orders to be Reviewed**

- a) To review the Councils Standing Orders:
- b) To review the Councils Financial Regulations.
- c) To review terms of reference for Committees
- d) To review the Councils Complaints Procedure

Not Resolved: Work is ongoing on items a-d. A final draft of these documents will be produced by the PC for presentation at the next meeting.

27/2022 **North Yorkshire County Council and Craven District Council Planning Matters**

Craven District Council:

- a) Planning Applications:
2022/23828/EIASCRC:

Pre-application for accommodation & pods on bank of river Greta. The PC was initially advised that it was not a formal application & the applicant is seeking advice on whether an EIA is required. A member of the public informed the meeting that further investigations have revealed the “pods” to comprise eight buildings of two storeys. Several are in protected/high conservation areas (Site of Importance for Nature Conservation/Woodland Tree Preservation Order.)

Resolved: PC to contact CDC planning officer to ensure it is kept informed. Residents are encouraged to feedback any concerns /objections to the PC to allow these to be collated and taken forward.

022/23630/FUL and 2022/23631/LBC - Barn at Castle Hill, Burton in Lonsdale. No further developments to report since the last meeting. It is thought that the increase in footprint of the site from 0.18Ha to 0.40Ha is in response to the requirement to mitigate water run-off from building roofs. However, there is concern that by being brought into the planning application it could become further residential development. The PC has made representations to the Planners to this effect.

Resolved

No further action required from the PC at this stage. Response awaited from the Planning Authority.

2019/20874/LBC Richard Thornton School, Burton In Lonsdale. The PC has contacted the Planning Authority regarding piles of waste material arising from the works. The planners have agreed to investigate.

Resolved: No further action required from the PC at this stage.

2022/23974/FUL:27 High Street, Burton In Lonsdale, Village Shop Association Ltd. Revised access to existing shop premises including replacement of an existing boarded up window with new double entrance doors and conversion of existing narrow door opening to shop window. Comments close 20th May. The planners have rejected the proposal to move the door into the middle of the wall with the painting on, the grounds of historical appearance of the frontage. However they would not oppose a door being installed where the bay window is which is a modern addition to the building.

Resolved: The PC wishes to express its support for the shop committee in whichever course of action it feels appropriate in relation to this matter.

2021/23271/FUL

Construction of bridge for agricultural use over a ditch.

Bull Farm, 11 High Street, Burton in Lonsdale

Deadline for Comments has passed. Uncontroversial.

Resolved: No further action from PC required.

28/2022
