Having had such a fabulous summer let's hope that now the school holidays are here the weather will not disappoint all those who have had to sit inside their classrooms for weeks on end, wishing they were outside in the sun.

We are lucky to have such a brilliant playground for the children to enjoy and with better access to the river, there is a lot to keep them occupied without having to leave the village. Life seems so much better when the sun shines!

As always, please do read the diary of events on pages 2 & 3 and lend your support to those activities that help to make Burton such a great community to live in.

Please also send in your comments, articles and letters. We have another new advert this month, remember, the adverts keep the 'BURTONIAN' going!

Please contact the church wardens on allsaintscw@gmail.com if you can offer to help

A number of people have asked about having the toilets at the Sports Pavilion open for use by parents and children at the playground or anybody using the outdoor fitness equipment.

It has been agreed that this would be a good idea during the day but that they would need to be locked during the evening and nighttime.

The Parish Council is asking for volunteers who would be willing to hold a key for the end toilet and to unlock it in the morning and lock it again later on. The times would be up for negotiation and if there were a few volunteers, the duty could be shared out.

If you can help, please contact the Parish Clerk, Sue Gregory, on 62863 or bilparishcouncil@btinternet.com

Passing the recreation ground on 4 July 2018 you might have wondered if there was an event to celebrate American Independence Day. Actually the large number of people and vehicles in the car park was due to a coincidence. Not only was it the usual evening for Lonsdale Archers to practice their shooting skills, there was also a bowls match hosted by the Burton Bowling Club. When three ambulances arrived one might have been forgiven for thinking there had been an horrible accident. Closer inspection of the logo on the Land Rover ambulances clarified that these were from Clapham Cave Rescue which had requested permission to use the sports pavilion as a base for a rescue exercise. In total about 25 of their members attended to conduct a river-bank search from Burton to Greta Bridge. The aim was for the search team to familiarise themselves with the ground on both sides of the river by trying to find three 'victims' who were supposed to have lost their way after leaving the pub ! The WI were involved as well providing refreshments, not that their skills needed testing!! The exercise had been organised by Andy Ive as a test of our village Emergency Plan. Did you know we had one ?

This document has just been updated with details of how we would respond to a variety of emergency situations ranging from a major road traffic accident to flooding or fallen trees. If you are interested a copy of the plan can be inspected at the village shop, church or chapel. The plan is also lodged with NYCC Emergency Planning Unit which encourages all parishes to write one.

Burton-in-Lonsdale WI Report June and July 2018

Our June meeting welcomed Julie Ashworth and her (now retired) Hearing Dog, Sky. The Hearing Dogs organisation was founded 30 years ago. Julie has had Sky since the dog was 3 years old. She was rescued from a puppy farm. Although Sky has now retired as a hearing dog, Julie opted to keep her because she made such a difference her life, giving her more confidence. There are 2 training centres in the UK for Hearing Dogs. Julie spent 3 days at one of them with Sky and then a trainer came to her home for 3 days to work with them.

Hearing Dogs wear a burgundy coat. Like other service dogs they are allowed in shops and places where other dogs are not normally allowed.

They are trained to communicate information to their 'owners' by touch and tell. For example when cooker, door bell, phone rings, they nudge and take their 'owner' to cooker/door/phone.

Spaniels and Labradors are the main breeds used for hearing dogs. Those crossed with poodles are used for 'owners' with allergies. The dogs are allocated to their 'owners' [at 12 - 18](#) months old. They are trained for the specific type of environment they are to work in (eg. countryside or town) and they are reassessed periodically.

This was the last talk that Julie and Sky will be giving as Julie feels Sky should now be retired from this too. It was a hugely enjoyable, amusing, moving and informative talk.

Gwen Harris came to talk to us at the July meeting. Entitled 'Lessons and Longyis', her talk covered her experiences in Myanmar (Burma) working first for VSO in teacher training, and more recently, spending 7 months working for the Ministry of Education. As well as briefly outlining the history and geography of the country, Gwen described aspects of the culture, religion and daily life. She talked about the different ethnic groups living in the country and showed us colourful samples of the traditional fabrics used for longyis, worn by both men and women. Essentially a tube of cotton material, occasionally silk, the different patterns woven into the longyi material denote the origin of the wearer.

Everyone enjoyed her informative and very personal account of her time there.

Four of us had a lovely afternoon being taken round Jervaulx Abbey by the owner, Ian Burdon, followed by afternoon tea in the café. Another 4 members have joined the North Yorkshire West Federation's fledgling Rock Choir and are looking forward to the next rehearsal.

On one very warm evening three of us served teas and coffees at the Pavilion to the Cave Rescue team who carried out a training exercise along the river banks. If a real emergency should arise, hopefully we would be able to step in to help.

For the next meeting, August 2nd, we have invited Jean Argles from Hornby to talk about her time in the First Aid Nursing Yeomanry (also known as 'the finishing school for espionage'). Our September 6th meeting will showcase the Chocolate House from Kendal, which could include chocolate tasting! All welcome.

LOCAL TREASURES

If you were anywhere near the Punch Bowl on the afternoon of 22 July, you'd have noticed a steady dribble of people emerging, clutching maps and wearing slightly puzzled expressions. Without further ado, some leapt into nearby motor cars and sped off into the surrounding countryside. Others huddled into furtive groups to discuss strategy and tactics - and then leapt into nearby motor cars and sped off into the surrounding countryside... For about three hours, Low Street went back to sleep. Then, one by one, the

cars limped home; some occupants looking slightly bruised, others vaguely triumphant. This was Burton in Lonsdale's second annual Treasure Hunt, concocted by the good editors of this very rag, David and Marilyn. If you weren't there (and, why not, pray?) the basic idea is to journey the local byways, mostly ones suitable for motor cars, looking for answers to enigmatic questions posed by the organisers. The answers are found at designated places on the map. Each correctly answered question is worth a different number of points; and points, as we all know, mean prizes. I suggest, from bitter experience, that it is helpful to read the instructions before setting off. Other than that, you simply need at least two of you, one of which navigates and the other drives. The driver clenches teeth and other things whilst hurtling (*ED: really?!*) round blind corners to get to the next clue. It is important to have just the one driver and navigator at a time, and useful if the navigator is able to map read, calmly instructing the driver which turn to take in advance, rather than flapping the map across the windscreen pointing wildly and shouting, "Turn here!". Additional team members help hunt down the little gems and nuggets concealed in signs, monuments and other places from the Dales to Bowland.

You have to hand it to David and Marilyn. So much research and planning went into putting this event together – it must have taken ages - and it was a huge amount of fun to take part in. Somehow, we also managed to appreciate some stunning and varied local scenery along the way – courtesy of the careful planning. And then it was back to the pub, where Heather and Mick had laid on some pulled pork buns with chips and coleslaw as part of the package, and where completed forms were handed in. The results were eagerly awaited while beer (including London Pride – whoopee!!) and chat flowed. In the end, it was a close-run thing, with only several hundred marks separating the winners and losers. Anonymity can be preserved by thinking up a ridiculous name for your team. Prizes were generously donated by Heather and Mick. First prize, a £30 voucher to put towards a meal at the pub, went to 'Last Out, First In' (Team Wilson) and second prize, a bottle of vintage prosecco, was won by Ted's Team from Gallaber Farm. A profit of £60 was instantly divided into the three charity boxes in the pub, *Breast Cancer Now*, *Prostate Cancer UK* and *Blood Bikes*.

This year's winners have kindly volunteered to put on next year's Treasure Hunt. So, if you decided to give it a miss this time, there's no need to be so boring and miserable in 2019.

Village Cricket Match 2018

A huge success again this year.

A lively wicket, as a result of a very dry summer, made for a good high scoring game with some mighty blows being hit, an odd lost ball and a great load of banter between the players.

The match was not decided until the last two balls of the day. The overall winner was the village and from the smiles that were well in evidence everyone had a super time.

Well the cricket teas were exceptional!! A huge thanks go to Mairi, Sue, Ann, Heather and Carolyn for all their hard work. If Paul Hollywood had been in the village we are sure that he would have awarded the Star Baker of the Week to the team in the kitchen. We reckon that the amount of cake was a deciding factor on the overall result. Ted's team took on a bit too much of the lemon / lime sponge, drizzle cake, marble cake, date slice, chocolate sponge and brownies and that just made the difference to their fielding during the second innings of the match.

The special prizes were again keenly fought this year. The Junior Player award was shared between Euan and Aaron Christie. The Shot of the Day award went to Gary Dodgson for a mighty six which almost ended up on the bowling green. The Best Catch award was won by Richard Ridley who managed to hold onto a very firmly hit shot on the leg side boundary which was travelling for a 6. The recipient of the Dropped Catch award went to Bradley Storey who however made amends with some excellent bowling.

Refreshments were served for the spectators who greatly added to the overall scene with their encampments of rugs, fold down chairs, picnic tables etc.

Many thanks to David Bruno and Ian Parker for keeping the scores - not easy when runs are being scored at a fast rate with wickets falling as well. David said that next year he may also take part in the game - we will look forward to that. Also a huge thanks to Bill Hartley for ensuring that the recreation field was in great condition for the match.

A new award (The Burton in Lonsdale Cricketing Ashes) was presented to the winning captain, Jeremy Duke at the end of the match. This award, we are sure, will be keenly fought again next year.

A final thanks to Mark for umpiring the match in a totally impartial manner and for Mike for pulling things together.

Hoping to see you all again next year.

Details will follow very soon re the date so that it can be everyone's diary.

Campaign will focus on private fostering. A campaign aims to alert private foster carers that they must tell us about the arrangements.

JULY 2018

£1m to improve mobile coverage. We have secured £1m to improve mobile phone coverage in the county. Improving coverage is vital to the economic growth of the county.

Mischief Makers wanted at libraries. There'll be mischief afoot this summer as libraries invite all primary school children to sign up to read up to six books for the summer reading challenge.

£11.5m for road safety improvements. We have secured more than £11.5m for road safety improvements from the Government's Safer Roads Fund to upgrade four stretches of road in the county

Mental health book collection launched. Libraries are showcasing a new collection of books to support people who are living with mental health issues.

Choose to foster, change a life. Fostering North Yorkshire looks after more than 300 young people. We're keen to recruit more foster carers.

Let's get active this summer. We're backing a national campaign designed to get people active over the summer months.

Debating champions go head to head. Primary school children debated the dangers of social media in a county-wide contest.

Awards celebrate county's teachers. Our teaching awards recognise staff who make a real difference to young people's lives.

Village Hall

No big news for the hall this month except a new door is being installed accessing from the hall to the Kitchen. Our grateful thanks go to Rique for his excellent work in putting it in for us. Regular events are elsewhere in this Issue.

The music evening on the first Sunday of each month regularly gets 30 people and at least 10 musicians. It costs £2 and it includes the buffet. So come along and play or just listen in.

No news yet on an extension, fingers crossed for the students who said they would come to do the surveys.

Bentham Area Refugee Support Group

First of all, a big thank you to everyone who helped at and supported the Coffee Morning on 9 June. We are grateful for all the donations of goods, raffle and tombola prizes, baking, time, help and generosity. We made a remarkable £480 which helped to meet the costs of the Refugee Hosting Weekend, and also allowed us to send some funds to Bradford Red Cross Refugee Services.

In Refugee Week, my talk, 'There But For Fortune' in Bentham Methodist Church had a good attendance, and raised some lively discussion and questions afterwards. Although not a fundraising event, donations of £50 for the Bradford Red Cross Refugee Services were generously given. Thank you to Bentham Methodist Church for hosting the event, and to all who supported it.

By the time you read this 19 asylum seekers and refugees will have visited us from the Red Cross in Bradford for our hosting weekend 29 June – 1 July. This year our visitors, who came from Eritrea, Ethiopia, Iraq, Iran, Gabon, Malawi, Ukraine, and Pakistan were welcomed at the Looking Well by Bentham Mayor Thomas Marshall. We had an amazing time. We enjoyed wonderful weather and great generosity from Andrea and Stephen Dennis, the Looking Well, Bibby's of Ingleton, Burton Village Hall, Burton Recreational Field, Yorkshire Dales National Park, Ingleborough Cave, Westhouse Methodist Church, Bentham Youth Café which loaned play equipment, and the Band which played at the Ceilidh – to name but a few of those whose support was invaluable - along with a fantastic team of hosts and helpers. Thanks to you all. Feedback shows that our visitors had a wonderful time, found space to make new friendships, feel supported and valued, and escape from the pressures of being refugees and asylum seekers, many in destitution.

But being a host is an equally rich experience - *"Being a host to refugees or volunteers from the Red Cross Centre at Bradford is a unique opportunity to see ourselves as others see us. We couldn't help but contemplate how lucky we are to live in peaceful North Yorkshire in comparative luxury compared with those who have decided to risk everything to leave homes, families and friends in search of safety and new opportunities. The hosting weekend is an opportunity to talk to people from other parts of the globe while sharing in a range of enjoyable activities and meals. Our highlight was the Ceilidh - a happy ring of people holding hands and laughing together at the joyous chaos of it all. We received much more than we were able to give."* Jeny Keen

On 28 July we had a stall at Clapham Street Market, continuing to raise funds to support asylum seekers and refugees. All of the money we raise is passed directly to the projects. Although not so much headline news now, the needs remain huge in the UK, Europe, and across the world.

And as for plans for future events.... Watch this space!

The Rotary Club of Lunesdale

A reminder of a unique occasion and a special date for your diary. On Saturday, 22nd September at 7pm the club is proud to present, in concert,

The Llanddulas Male Voice Choir in St Mary's Church, Kirkby Lonsdale.

Tickets, price £10, will be on sale at the Tourist Information, corner of Main St, near the Market Square, Kirkby Lonsdale from the first week in July or tel: 01524 732873. The number of tickets is limited and we anticipate big demand. To avoid disappointment be sure to purchase your tickets early.

In the past month members have welcomed speakers including District Assistant Governor Dick Johnson. Dick stressed the importance of the work done by Rotary Clubs worldwide to help people in poverty and need. Club members were encouraged to maintain the excellent relationship which has been developed in our own local community and to continue offering help and support where needed. The Rotary Club is a worldwide organisation and its members work continually to help people in need at local, national and international levels. When disasters occur around the world, which unfortunately they do, Rotary is one of the first organisations to respond with practical help.

Another visiting speaker was Glenys Merriott representing Headway which has a branch in Kendal. Headway is a charity offering help and support to teenagers and adults, who have suffered a brain injury.

We look forward to welcoming 12 young children from Belarus for the day on 4th July to entertain them and give them a happy, fun day.

If you would like to have more information about the Rotary Club then please visit our website www.lunesdalerotary.org.uk

GARDEN WITH GUNTHER

At the time of writing, phew, hot innit ?
Apart from the chore of trying to keep alive the plants you spent a load of money on and getting a bit bored with salads, the weeks and weeks of glorious very warm sunshine have at last given

us long hours to just sit out and properly enjoy the garden. Like 1976 the summer of 2018 will be long remembered.

Work on the orchard has continued with a good layer of top soil being spread over to even out the ground. When the heat has subsided and we get some rain, grass seed will be planted along with some more fruit trees.

You will have noticed our flattened village sign has been restored to its former glory.

Thanks to Jonathan Caton for making such a good job of it.

Our Plant Sale in June was well supported and our thanks go to all those who donated from their own gardens and also to Westhouse Nurseries for their generous support.

Thanks also to the bakers of the delicious cakes served with refreshments. An amount in excess of £300 was raised to go towards beautifying the village.

Once again **David Thornber**, "Burton's answer to Monty Don" gives us his gardening tips for August/September.

August:

Cut back faded perennials to keep borders tidy and encourage fresh growth. Also prune summer flowering shrubs such as spireas and philadelphus once they have finished blooming. Trim lavenders to make sure they maintain a compact shape.

Pinch out the top leader of tomato plants and continue to remove side shoots to concentrate the energy into the fruit that has already formed. Aim to leave 5/6 trusses of fruit per plant.

Towards the end of the month cut back the fruited canes of summer raspberries leaving the new green canes for next year's crop. The runners of strawberries are perfect for propagating now if you require extra plants.

Prune non-repeat flowering rambler roses once the blooms have faded but carry on dead heading repeat flowering climbers and hybrid teas to prolong the season.

Now is a good time to look at the borders and note any gaps or perhaps congestion that need rectifying in the autumn when plants can be moved safely.

September:

Plant out spring bulbs and also divide and move herbaceous perennials while the soil is still warm and there is a good amount of rainfall.

Continue to deadhead a wide range of plants to keep the colour going into autumn. Net over ponds before leaf fall starts as they will rot in the water.

Lift maincrop potatoes, dry off and store in hessian or paper bags in a cool, dark, well ventilated area. Also onions are ready to harvest when the leaves fold over and can be lifted on a sunny day and left to dry.

As light levels fade remember to remove greenhouse shading. Also check tree ties and various plant supports are firmly in place ahead of any autumn gales.

Give your lawn a treat after its summer labours. Use a specific autumn feed as it must be high in potassium and low in nitrogen. You do not want to promote soft growth that is vulnerable to fungal infection and cool temperatures.

Vine weevil grubs can become a problem about now. If left alone they will eat the roots all winter of a wide range of plants especially cyclamen, primulas and heucheras. If you have a problem, treat with a biological control of nematodes which can be obtained from a wide range of stockists.

Happy gardening, GUNTHER

Fun Run News

The 4th annual 3km Family Fun Run was quieter than usual due to the excessive heat, but nonetheless the 33 registered runners (and walkers!) enjoyed their race (photo), with Mark Hamill coming home to win the race (first adult to win!) followed by his partner Phoebe (see photo). There were some excellent performances by the children however who all performed well in the heat, with prizes also going to first boy, girl, plus two awards for 'Fun at the Fun Run' and 'Rising Star' (photo). Meanwhile, everyone got medals and a goody bag presented by Councillor David Ireton. After the run, the participants enjoyed an array of sports, including tug of war, archery, boccia/boules, kwik cricket, orienteering and the outdoor gym, before heading home in time to watch England reach the semi-finals of the World Cup! Thanks go to all the volunteers who planned and delivered the day's activities and refreshments, and the guests who attended, including VIP race starter legendary local fell runner Tommy Sedgewick, and Ben-tham Beagles for conducting the fun warm up and assisting with activities. Next year's event will be in late May or early June. In the meantime, don't forget we have the weekly Run in the Park on Saturday mornings each week at 9.30am at the rec Ground. All free, just rock up and run, walk or jog!

Redeveloping the Richard Thornton School

The old school building has now been empty for some time. The site has been identified as suitable for housing in the Craven Local Plan so we can expect it will soon be sold for development.

If you have an opinion about how the site should be used, please come to a public meeting in the sports pavilion at the recreation ground at 7:30pm on Tuesday 14 August 2018.

Guest speakers will explain the Community Led Housing scheme and an architect who has supported similar community initiatives will share with us some ideas of how our site might be developed to benefit the community.

BURTONIANS

YOUR VILLAGE NEEDS
YOU

We are still recruiting volunteers for the community concert, so don't risk the white feather – join up now! If folk could go and fight a century ago, you can surely give a little painless time to help remember them. We particularly want to hear from younger people, including schoolchildren of primary age to do short readings. You can rehearse in the privacy of your own billet; you just need to be available for dress rehearsals in the evenings of 16 October and 7 November, and of course for the performance itself on the afternoon of 10 November. If you, or your son/daughter, would like to be involved, or if you have any questions, please contact Mike Biles on 63294 – mike.biles@rismove.co.uk or Mike Lavelle on 62903 – lavelle.mike@gmail.com

Other Services and Events in August and September

Stay and Play, our group for pre-school children (with parent/grandparent or guardian) meets on Thursdays in the Church Room from 10 am until about 12 noon. The final Picnic and Play was held in the new Sports Pavilion on 12 July. The group resumes in the Church Room on Thursday 13 September.

New families are always very welcome. There are toys and other things to entertain the children and tea, coffee and chat for the adults. For further information e-mail us on allsaintscw@gmail.com.

Opening All Saints to the village community

Now we have de cluttered and opened the Tower Room space for exhibitions we'd like to know what ideas you have for encouraging villagers and visitors into the church building. The Garden of Remembrance is a lovely space for contemplation and has fabulous views over the village. The church yard and church building needs your input as volunteers to dust, polish, Hoover, weed and clear leaves during the year, you don't need to come on a Sunday! We have ideas for art exhibitions, concerts, and special weekends which include the Heritage Open Days in September and the World War 1 commemoration weekend in November, but would like ideas from you. Email on allsaintscw@gmail.com. or speak to Denis, Cathy or Christine any time.

Heritage Open Days

The church building and Tower will be open for the National Heritage Open weekend again on 14, 15 & 16 September. In addition to the chance to toll a bell there will be an exhibition to display the many interesting artefacts which we uncovered during the de-cluttering. And of course, being All Saints, there will be refreshments throughout the exhibition.

Volunteers to help steward the exhibition or to help with refreshments are welcome.

Please let us know if you would like to be involved in either the looking after of the building or church yard, or if you have ideas for future events. This is your village church and part of our community.

Prayers for the Parish Each Friday morning we normally meet at 10 am in the Church Vestry for a short simple time of **Prayers for the Parish**. Do feel free to join us for about 30 minutes.

Best wishes

Catherine and Christine, Church Wardens at All Saints

And from Vicar Denis

My grandchildren were watching the World Cup. The youngest, aged two, jumped up and down, clapping his hands, and shouted Alan. We wondered who Alan was until it emerged that he hadn't quite heard correctly. He meant to shout England!

Sometimes, though, not quite getting the correct word or understanding a question can reveal something profound. I came across this recently - The day finally came and Forrest Gump died and went to heaven. He was met at the Pearly Gates by Saint Peter who told him that there was an entrance test to get in because the place was filling up fast but that it wasn't too difficult. There were just three questions - First: what two days of the week begin with the letter T? Second: How many seconds are there in a year? Third: What is God's first name?

Forrest left to think but returned the next day. "Time for your answers" said Saint Peter. "Well" Forrest replied "The first one is easy- Today and tomorrow". The old saint was surprised but had to accept the answer. "The second one was harder" Forrest continued "but the answer has to be 12". "How could you arrive at 12 seconds in a year?" asked a stunned Saint Peter. Forrest replied "There's got to be 12: January 2nd, February 2nd, March 2nd..." "Alright" sighed Saint Peter "but what about the last question. Can you tell me God's first name?"

"Of course" said Forrest "It's Andy". "What" said Saint Peter "I can understand how you got the first two answers but how can you think that God's first name is Andy?" "Easy" replied Forrest "Don't you know the song,

ANDY WALKS WITH ME,

ANDY TALKS WITH ME,

ANDY TELLS ME I AM HIS OWN".

"And he does" laughed Saint Peter as he opened the Pearly Gates and said "Run, Forrest, run".

Smile and have a good summer, knowing that God is there for you and always available.

God Bless

Denis

Country Harvest is organising a **BAKE OFF**. Yorkshire baker and a former winner of TV's Great British Bake Off Nancy Birtwhistle will be the celebrity judge at the fun event alongside Country Harvest owner Mike Clark. The judges will taste each of the 25 cakes in a marquee at Country Harvest on August 9th, before deciding on the top three winners who will receive prizes totalling £450.

Anyone wishing to bake a cake should email suecountryharvest@gmail.com for further information and with details about the cake they would like to do.

BURTON W.I. MEETS ON THE FIRST THURSDAY OF NEARLY EVERY MONTH IN THE VILLAGE HALL AT 7.30pm.

We love it when other people join us, particularly if they are new. We even round the evening off with tea and biscuits!

Thurs. 2nd August. Jean Argles. 'FANYs at War' (First Aid Nursing Yeomanry). Also known as the 'finishing school for espionage' – women at war. Jean lives in Wray and tells an exciting story of what a young girl got up to in WW2.

Hostesses: Heather Randall & Sue Bibby.

Thurs. 6th September. Outing.

Saturday afternoon, 6 October - WI Group Show in the Ingleborough Centre. Come and enjoy looking at a wide range of exhibits made by local people.

Thurs. 4th October Judith Favret - talk & demo. on paper making. Plus goodies for sale. (£2 per person to make own paper). She makes a lovely translucent paper and then makes things like earrings, lampshades, Christmas tree decorations etc. out of it. You also get the chance to have a go at making your own piece of paper.

Hostesses: Jennifer Sedgwick & Edith Hunter.

End Oct. Ingleborough craft day.

CONCERT & CAKES

Concert&Cakes will be back in the Autumn with concerts on 20th October and 17th November. The programme is not yet finalised, but we hope to have some familiar faces and some

new ensembles – all playing beautiful music of course.

We could not continue these concerts without the wonderful cakes and the dedicated help from those of you who make all this happen on the day. If you think you can spare some time or bake a cake on one of these days, please get in touch with Cathy Rowland.

And to go on the mailing list concertandcakes@outlook.com

See you in October!

Burton Village Shop

Are you interested in the future of Burton Village Shop?

Would you like to hold a share in it?

Have you thought of becoming a member of the Burton Village Shop Association Limited?

Membership entitles you to attend and vote at the Annual General Meeting, and to stand for election to the Management Committee.

There is a £10 membership fee.

Application Forms for membership are in the shop. Please complete and return either to the shop or to Maggie Bruno with your £10.

You will then be issued with a share certificate, and be able to come to the AGM.

We are always looking for new members as well as volunteers, this is a Community Shop, it is well used, even more this year, and is an asset to the Village which would be poorer without it.

The shop also runs a lunch for pensioners each month, new customers are welcome as well as helpers.

The members of the shop Management Committee are

Maggie Bruno; David Gillibrand; Marion Hodgson; Ian Macdonald; David Taylor & Nigel Whitfield. Sarah Salrein is the shop manager.

'Just in Time'

From Saturday 26th May 2018 / Monday 28th May, All Saints Church was open to view a Heritage Exhibition staged by the Heritage Group, creating a Time Line of past Vicars, showing National and Local events that occurred during each Vicars time at All Saints. This event was to mark 150yrs of the laying of the Foundation Stone on Ascension Day May 21st 1868 by Thomas Thornton (benefactor). A few weeks prior to the Exhibition and Thanksgiving Service, I came across a small stoneware jar measuring 6" diameter and 8" tall, placed high on a windowsill in the Church Room. A remarkable little pot on two counts, firstly the date MAY 21st 1868 and secondly with a smaller impressed mark around the base, reading J KILBURN MANUFACTURER BURTON-IN-LONSDALE. James Kilburn was the only Burton Potter who marked his stoneware's, other than with the name of the merchant. James Kilburn operated Greta Pottery (next to the bridge) between c1860 and up to his death in 1879.

Recycling more waste in Craven

by Richard Wilson

It has taken some time, but recently the council found a different recycling contractor who can handle a broader range of materials. By now, you should have seen a new sticker on the lid of your blue bin explaining all the items which can now be recycled and the few which cannot. Any blue bin which does not have a sticker should get one the next time it is left out for collection.

The sticker makes it easy to see what has changed, but one of the headlines is that most plastic is now acceptable, so things like yogurt pots and ice-cream cartons needn't go to landfill as they did before. The idea is to make it as easy as possible for you to help to reduce the amount of waste going to landfill and also to increase the proportion of material which is recycled, but it's important to make sure the items are clean before you put them in your blue bin.

And remember that, welcome as this progress is, it's still better to try to avoid using plastic in the first place. Reduce, re-use and (last resort!) recycle.

Inside this month's magazine is a reprint of the sticker which you could post on your kitchen noticeboard as a reminder of everything that can now go into the blue bin. Bentham Environmentally Sustainable Town (BEST) has worked with Cllr. Ian Thompson to produce and distribute the leaflet, and is grateful to him for funding it through a Ward grant.

On the subject of recycling, this programme is worth a listen:

Bentham Film Group

On **Friday 7th September** Bentham Film Group will be showing the film '**Darkest Hour**' (Cert PG) in Bentham Town Hall.

This is a multi award-winning 2017 British war drama, with Gary Oldman as Winston Churchill, in director Joe Wright's retelling of the events of 1940. Within days of becoming Prime Minister, Churchill must face one of his most turbulent and defining trials: exploring a negotiated peace treaty with Nazi Germany, or standing firm to fight for the ideals, liberty and freedom of a nation.

This compelling film also stars Kristin Scott Thomas as Clementine Churchill and Ronald Pickup as Neville Chamberlain. **As usual, the film starts at 8pm and tickets cost £5 on the door.** There will be a raffle and refreshments in the interval.

We look forward to seeing you—Stella Hall

Settle Photographic Group Photo Trail and Exhibition

Settle Photographic Group's 10th Photo Trail and Annual Exhibition will be held in August. The images will be on display in Settle shops and businesses between 1st and 20th August. They will then be transferred to Clapham Village Hall, North Yorkshire for the exhibition which is held over the Bank Holiday weekend,

Saturday 25 August to Monday 27 August, 10am to 5pm. Vote for your favourite picture. Entry is free and refreshments are available.

Settle Photographic Group was formed in 2008, and now has well over 30 members drawn from Settle and surrounding villages. Meetings are held monthly throughout the year at Townhead Court in Settle with additional meetings during the winter months.

We have a wide-ranging programme of activities, including talks, demonstrations and regular photographic challenges which give the opportunity to discuss our work with other members. We also visit local places of interest to take photographs.

Further information about the Group can be found on Facebook or on our website (www.settlephotos.org). New members and visitors are always welcome.

BURTON IN LONSDALE FILM NIGHTS

September sees the recommencement of the popular village Film Nights which will be taking place on the following Tuesday evenings:-

September 11, October 2, November 6, December 11.

The film selection has not been finalised yet but will be announced shortly. Please watch out for the Posters around the village.

The film on November 6 will be shown in conjunction with the planned village celebrations to mark the end of the First World War and so will have a WW1 theme.

As usual doors will open at 7pm for a prompt 7.30pm start. Entry is £5 and refreshments will be on sale during the evening and we look forward to seeing as many of you as possible.

Fun in the sun for Burton Stay & Play summer party held in the Pavilion & the Recreation Field. We are so lucky to have such great facilities on our door step.

We meet Thursday mornings in All Saints Church from 10am to 12 noon. New families are very welcome, just pop in and see us. The new session will start Thursday, September 6th.

We don't want to make The Burtonian into a negative publication and know that it is irritating for the majority of people who aren't responsible for a nuisance to have to keep reading about it but there seem to be problems in Leeming Lane with some dog walkers not showing consideration for the residents. We are not habitual moaners but it really isn't fair to dump your blue dog mess bags in our rubbish bins. It is bloomin' cheeky! If you are considerate enough to pick it up in the first place then please take it home or put it in one of the bins provided for this purpose in the village.

It is very jolly to see all the village dogs going past by the way!

Archery

Lonsdale Archers goes from strength to strength, recently delivering a successful taster day in May with over 15 participants, followed by a Beginner Course during June that quickly filled all eight places. Since then, all eight have joined the club, swelling its numbers to over twenty members. We are still keen to get more juniors on board – it only costs £25 pa for junior membership, on top of beginner course fee. It's a fabulous sport so get in touch – we usually start from age 9 but younger ages may be considered. Our next Beginner Course (£50 adult, £25 junior) is Sun 12th August from 1-5.30pm, with a second date shortly afterwards for the same time. Find us on Facebook or call 07843 187744.

A USEFUL DIRECTORY AVAILABLE IN NORTH CRAVEN

A new directory has been produced by the Craven Communities Action Group. This document lists all of the social clubs, events, venues, faith groups, care supporters, libraries, and transport links, in the North Craven area, Centred around Ingleton, Burton and Bentham. Over 220 listings are included with names, Contact details, meeting times, Email addresses and Websites where applicable. An index in the front cover lists all of the activity types and where they can be found.

A grant of £1000 was made available from the Communities Inspire Fund, and 525 copies of this 40 page document have been printed and issued to Churches, Libraries, Community Hubs and Surgeries.

The aim of the stronger communities group is to allow and improve access to social clubs and events for everyone in the area, because together we are stronger. It is aimed at the vulnerable sections of society, but can just as easily be used by everyone and a resource.

Any updates to the register, once forwarded to the editor, will appear in this newsletter for you to update your copy. The online version is available and downloadable from the following website. <https://craven.compasshub.com/factsheet/view/4>

If any local companies or organisations wish to sponsor more hardcopies to be printed with their logo, please contact Andy Ive on 015242 61124
