Even in the depths of Winter, there is still so much happening in the village to take our minds off rain and icy winds and post Christmas blues. Many of these events are listed in these pages, not least of all the film night. As you will read on page 12, Bill Stringer, who introduced these enjoyable evenings into the village calendar, is stepping down. I am sure you will all join with us to say a very big THANK YOU to Bill for his hard work in setting up this very popular social event and for the many interesting movies we have enjoyed over the last 16 months. Thanks also to the team of volunteers who have helped to set up and sell refreshments and hopefully there is someone out there who will step in to ensure its future.

David & Marilyn

burton.news@gmail.com

PS: Don't forget the litter pick on the 3rd (see page 22), the Alan Bennett evening on the 10th (see page 26) and Concert & Cakes on the 17th (see pages 13 & 17).

Paddy is doing some roofing work for Murphy. He nears the top of the ladder and starts shaking and going dizzy. He calls down to Murphy and says, "I tink I will ave to go home: I've come all over giddy and feel sick." Murphy asks, "Ave yer got vertigo?" Paddy replies, "No, I only live round the corner."

Our Advertisers

If you know of anybody who might like to advertise in the Burtonian, please get in touch. It is our advertisers who keep the magazine going but of course it works both ways as we all like to use local trades & professionals for jobs around the house and garden as well as other services in the neighbourhood. Please do patronise them.

LVCS HORBY POOL Newsletter 10

Greetings and very best wishes for an enjoyable and successful 2018.

The pool campaign is still going ahead, we are currently dealing with all the essential legal and financial bits and still raising funds to ensure a sound economic future for this valuable Lune Valley community asset.

We appreciate all the help we get from supporters and friends.

For share pledges, sponsorship, newsletter or anything else please

email: lunevalleycys@gmail.com or telephone 01524 805666.

SHERLOCK

On the 3rd February there will be an evening of Sherlockian entertainment in St Mary's Church at 7.30, replacing the postponed show in 2017.

This is a one man show by acclaimed actor Jonathan Goodwin who stars in 'The Singular Exploits of Sherlock Holmes'. The show features the great detective recounting highlights of his crime-busting career. It also includes autobiographical snippets concerning his life and times, the adversaries he has faced and mysteries he has solved.

It is particularly relevant to this area as the name Sherlock Holmes was based on the names of the Sherlock family based in Liverpool and Ingleton, and the Holmes Tanneries in the bottoms by the river.

The show is an affectionate one-man homage to the world's greatest detective that includes quick costume changes, humour and audience participation.

The show is presented by *Don't Go Into The Cellar! Theatre Company*, the British Empire's finest practitioners of theatrical Victoriana in a macabre vein!

Tickets are £6 and available on the door. Refreshments will be available in the interval, and a prize will be awarded for the best costume of the late 1800's worn on the night.

Contact 015242 61124 for more details

Andy Ive

Lune Valley Social Activities Group

Are you looking for new ventures and activities then why not join our group, the 'Lune Valley Social Activities Group' ???

We all enjoy going out and about, some of our activities include walking, holidays in the UK and also abroad, meals out, crown green bowls (in summer), domino evenings, a poetry group, microlight flights to mention just a few.

In fact anything that the members fancy organising for themselves. Our members are mostly retired, but not exclusively so.

We meet on the first Thursday of the month in the URC Hall at Halton at 7.00 pm.

If you're interested just come along or alternatively for further information phone

George Scurrah, 01524 811109 or 07772 014496

A quick summary of:

North Yorkshire Now

The newsletter for North Yorkshire residents | December '17 | January '18

For more information, goto www.northyorks.gov.uk

You can also follow the council on Twitter and Facebook.

Reminders

Stay up to date with road works, gritting and weather cameras / See the community directory, search online for a range of community information, including childcare, support, activities, clubs, organisations and groups / See the latest county council planning applications / Search here for the latest job vacancies with the county council / Tell us what you like or don't like about North Yorkshire Now and what you would like to see in the newsletter. Send comments to editor@northyorks.gov.uk.

Community libraries look to the future. Volunteers from the county's community libraries met to celebrate their success and share ideas at the annual library conference.

The County Council's Executive has approved a permit scheme to improve control and management of work across the county's roads.

Digital Minister Matt Hancock MP spent two days in North Yorkshire seeing the benefits of our pioneering superfast broadband work.

The Fostering North Yorkshire team has said a big thanks to a couple for 32 years of caring for some of the county's young people.

We're encouraging people to find out about community organisations by using a new online directory, North Yorkshire Connect.

The next step towards addressing congestion in and around Harrogate and Knaresborough will be taken next month.

Our road safety team has recruited some new members in response to concerns about irresponsible parking near school entrances.

UK Youth Parliament, including North Yorkshire members, is to focus on lowering the voting age to 16 and a curriculum for life in 2018.

We are renewing our call on the government to give long-term fairer funding to large rural counties like North Yorkshire following this year's financial settlement.

We are working with mobile phone operators EE, O2, Vodafone and 3 to improve coverage as part of our ambitions for economic growth.

North Yorkshire libraries now have more than 400 BBC micro:bits (pocket-sized codeable computers) available for children to borrow to help to improve their digital skills.

We are consulting on a series of proposals that change our school transport policy for those students with special educational needs or disabilities.

North Yorkshire Health and Wellbeing Board is inviting comments on its draft pharmaceutical needs assessment, which looks at pharmacy services in the county.

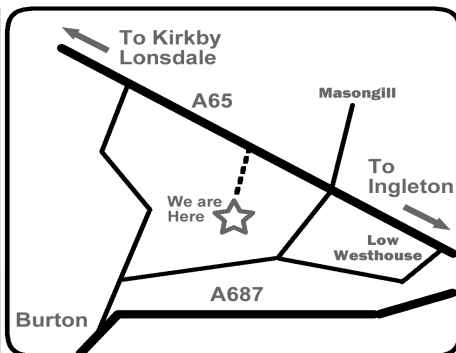

People who were given electrical items such as mobiles or laptops for Christmas can recycle old ones at household waste recycling centres in North Yorkshire.

Our Adult Learning and Skills Service offers more than 900 part-time courses, including accounting, business administration, computing, supporting teaching, English, maths, health and social care.

WHAT GOES AROUND....

His name was Fleming, and he was a poor Scottish farmer. One day, while trying to make a living for his family, he heard a cry for help coming from a nearby bog. He dropped his tools and ran to the bog.

There, mired to his waist in black muck, was a terrified boy, screaming and struggling to free himself. Farmer Fleming saved the lad from what could have been a slow and terrifying death.

The next day, a fancy carriage pulled up to the Scotsman's sparse surroundings. An elegantly dressed nobleman stepped out and introduced himself as the father of the boy Farmer Fleming had saved.

"I want to repay you," said the nobleman. "You saved my son's life."

"No, I can't accept payment for what I did," the Scottish farmer replied waving off the offer.

At that moment, the farmer's own son came to the door of the family hovel. "Is that your son?" the nobleman asked. "Yes," the farmer replied proudly.

"I'll make you a deal. Let me provide him with the level of education my own son will enjoy.

If the lad is anything like his father, he'll no doubt grow to be a man we both will be proud of." And that he did.

Farmer Fleming's son attended the very best schools and in time, graduated from St. Mary's Hospital Medical School in London, and went on to become known throughout the world as the noted Sir Alexander Fleming, the discoverer of Penicillin.

Years afterward, that same nobleman's son who was saved from the bog was stricken with pneumonia.

What saved his life this time? Penicillin.

The name of the nobleman? Lord Randolph Churchill.

His son's name?

Sir Winston Churchill.

Someone once said: What goes around comes around.

Rique Llinares

Bentham Film Group

On **Friday 23rd February 2018**, Bentham Film Group will be showing in Bentham Town Hall the inspiring film '**A United Kingdom**' (Cert 12A).

This is a 2016 British biographical drama based on the true-life romance of King Seretse Khama of modern-day Botswana (played by David Oyelowo) and his loving but controversial marriage to a British white woman, Ruth Williams (played by Rosamund Pike), the London office worker he married in 1948. They faced fierce opposition from their families and the British and South African governments. Seretse and Ruth defied them all, transforming their nation and inspiring the world.

As usual, the film starts at 8pm and tickets cost £5 on the door.

There will be a raffle and refreshments in the interval.

Stella Hall

A fine is a tax for doing wrong. A tax is a fine for doing well.

DONATION

On the 25th November, High Bentham Co-op presented a cheque for £1701.81 to Burton Regeneration Group. This will be added to funds already raised by BRG to buy solar panels for the sports pavilion. Because the solar panels have now been paid for by Tau Solar, BRG will be able to use its funds to support the other projects on the recreation ground (playground equipment and an outdoor gym).

Ian Thompson

Christmas Carol Service

All Saints' Church hosted The Village Carol Service on 17th December 2017. The service was a mixture of traditional, new and innovative themes and was enjoyed by over 135 people.

The plate collection was in aid of the Lancaster and District Homeless Action Service. £374.51 was collected for the charity. Thank you to all who participated and contributed.

During recent restoration work to some of the benches in the village, the bench that was located at the river opposite the Bowling Club had this plaque on it. The plaque has cleaned up a lot.

As you can see it is memory of William Phillp and is dated 1962.

Sue Gregory has carried out a bit of a check to find out some further information and she has found that he was from the South East of England and, from the inscription, spent many happy times in the village. (for the benefit of others trying to read the plaque).

Hopefully there's someone who might remember his visits - however, 1962 is quite a while ago..... If anyone does have any further information then can you please pass it on to me.

Many thanks.

Mike Illsley

This is my first contribution to The Burtonian. It sounds a small thing but for many years I have sent used postage stamps to a central group in Billericay. A lovely couple co-ordinated this for years - Nigel and Brenda Lawley - and raised several hundred thousand pounds for Leukaemia Research.

Another fundraiser has taken the baton on - and I am happy to take on any in the village that people have on their envelopes and send them on to her. There is still a huge area of interest in philately in the world and prices can be good for unusual stamps.

About a centimetre of envelope is needed around the stamp - if you haven't the time or will to do this, I am happy to sort and trim. The basic rate is £6 a kilo with more for picture stamps and £13 for a kilo of used foreign stamps. And unusual ones get sorted to raise even more.

There is so much to recycle but this actually yields a profit for such a worthy cause.

I have put a little box in our wonderful village shop which I am happy to regularly empty and sort.

I hope this won't be my only contribution to village life but it's a start!

Thank you so much in advance,

Gwenda Meredith

An archaeologist is the best husband any woman can have: The older she gets, the more interested he becomes in her.

GONG BATH

Burton in Lonsdale
Village Hall

Sunday 11th March 2018
Sunday 13th May 2018

6:30 pm
£10 per person

A gong bath is best experienced lying down, so please bring whatever you need to be comfy on the floor. Cushions, blankets, mat etc.

During a gong session, your body naturally absorbs sounds that it needs for healing whilst filtering out what is not required. The complex, yet delicate overtones of the gongs allow your superficial thoughts to settle. You can easily reach a much deeper consciousness leaving you in a very calm, relaxed state. The gong vibrations continue to work long after the gong bath has finished. Gong healing works on various levels - physical, mental, energetic, emotional and spiritual. Negativity and chaos are suspended; irregularity and resistance disappear and the whole being is returned to harmonic balance.

A lot like love, the gongs need to be experienced!

Come along and try this treat for the soul. Ask anyone who has experienced the gongs and they will tell you it is the ULTIMATE reset button.

text or call, Graham or Ondray 07484173603 or 07870947130 / website = ondray.co.uk

Archaeologist: someone whose career lies in ruins

One nice thing about egotists: They don't talk about other people

Settle Photographic Group

A new year - and the time to take up something new or develop further skills. If you are interested in photography, why not come to Settle Photographic Group?

What do we do at meetings? We sometimes have a guest speaker, or we improve our camera skills, discuss all sorts of photos, explore photo manipulation and share our work and ideas. Everyone welcome, from beginner to expert.

Each month there is the chance to go on a photographic trip. The day of the week varies in the hope that as many members as possible will have the chance to join at least some of these informal outings. In February, members will visit RSPB Silverdale and, in March, Ingleton Falls.

In the winter months, October to April, there are two meetings a month on the first and third Mondays, and in the summer, May to September, there is one meeting a month on the third Monday.

For more information, look at our website: [**www.settlephotos.org**](http://www.settlephotos.org)

Wednesday 21 March 2018

Visit to Ingleton Falls

10.00 Ingleton

With any luck there should be plenty of water to make a spectacular display!

Village Hall

The hall is seeing an increase in use over the year, which is good for us all.

New chairs are being purchased, and a review of the storage facilities is being carried out on the 26th January, by students at the University of Central Lancashire in Preston

Table tennis now happens twice a week, on Tuesdays and Thursdays

Circuit training is on a Wednesday night.

There is a dominoes night every second Thursday (not February) - all welcome

Parish council meetings are held on the last Thursday of the month

The WI meets on the first Thursday of the month. New members and visitors welcome.

The Alan Bennett talking heads event is on the 10th February at 7:30pm. Tickets available now, in the Village shop or from Ruth Gill.

Tuesday the 13th, the usual Pancake party organised by the All Saints cooks!

Next Gong Bath is the 11th March and then the 13th May

For film nights see the details elsewhere in the Burtonian.

The Boiler! To use the wall mounted boiler, open the blue tap at the bottom, switch the power on, and wait until the water is hot, it will take a maximum of 10 minutes. When you have finished, turn off the blue tap and empty the boiler into a bowl. This stops the water from being stale.

Emergency Planning

The Parish Council have suggested that the Village Emergency plan be put on to the Village website. This could give data protection issues as the contact details of key and other personnel will be available. If you were originally contacted about having your contact details on a call out list, but do not want the number to be included, please let me know as soon as possible. There is a copy in the shop that you can review.

Also, sandbags are now kept at Clifford Hall with Ian Thompson and will also be deposited at the Potteries. These two locations had to be supplied with bags during the last flood alert.

Andy Ive

FILM NIGHT

Unfortunately, I'm no longer able to run Film Night so The Graduate will be the last film we'll be screening just for the moment. We're looking for someone who would be willing to take over and organise this popular village event.

Cine North, who supply the films and arrange the licenses, is no longer to be hosted by the National Media Museum in Bradford. Eden Arts in Cumbria are taking over on a temporary basis until a permanent host is found. New staff at NMM consider that the projection equipment belongs to our Village Hall and I saw no reason to argue with that!

The projection kit is very easy to use; if I can do it anyone can. Volunteers help with setting up the hall and selling refreshments; after fifteen films it really does run like clockwork. I'll make some notes and go through it all for anyone who feels they would like to take this on.

Please get in touch if you're interested or would just like a chat about what is involved.

Bill Stringer

billstringer@mail.com / 015242 97129

Happy New Year to everyone and welcome back to a Spring 2018 season of Concert&Cakes.

We have two concerts to look forward to.

On **Saturday 17th February**, we welcome the fabulous Chameleon Wind Quintet. People quite often ask how we choose these ensembles and are always amazed at how good they are. Well, the Royal Northern College of Music in Manchester is world-famous for its chamber music department, so that's a good start. Throughout the year, students are encouraged to form duos, trios, quartets, quintets and sometimes larger performing groups to play with lots of different combinations of instruments and across musical genres. Then there are competitions in the Autumn and Spring, selecting the best of each genre. This culminates in an annual 'best of the best' Award evening, the Chris Rowland International Chamber Music Ensemble of the Year Award, which pitches brass quartet against String trio, and everything in between. This is judged by an external expert, as well as by the RNCM Head of Chamber Music. There is always one winner and the audience get to pick their favourite too. So these are the ensembles we start with, and always hope to be able to get the winners of the award – this year it was the Huoguo/Loukos String Quartet, who we heard last November.

So many people were completely blown away by last November's concert, we didn't think we could do better. But this year you can be your own judges. Chameleon won the audience prize in 2017 and we think they are fabulous! They push the boundaries of typical wind ensembles, and experiment with new combinations of wind instruments. They are based on a traditional wind quintet, replacing French Horn with Saxophone, and each member is principally one of the other four instruments - Flute, Oboe, Clarinet and Bassoon.

The next is on **Saturday 17th March** when we will be treated to our first guitar concert with the award-winning Sam Rodwell and his trio. Look out for the posters around the village and if you'd like more information, sign up to the mailing list on concertandcakes@outlook.com.

As ever, all Concert&Cakes concerts are from 2.30pm to 4.30pm at All Saints Church. If there is any chance you could help, please get in touch with Cathy Rowland.

We look forward to seeing you there.

Christine, Cathy & Steve

Ewecross Historical Society		Meets at 7.30 at Methodist Church, Station Road, Bentham
Monday 26 February	Ian Hodgkinson	Ague - A History of Malaria in the North West
Monday 26 March	David Ratledge	Roman Roads in the North West - Recent Research
Ingleborough Archaeology Group		Meets at 7.30 at Ingleton Community Centre
Monday 19 February	Tom Lord	In the Dark: Caves and Early Farming Communities in the Dales
Monday 19 March	Philip Bastow	The Hagg Farm Excavation

The Leeming Lane residents would like to know who the irresponsible person is who walks his or her dog, picks up the faeces, then throws them and the blue bag into the field by the barn.

Not only is it a fineable offence but a health hazard. Please make a New Year Resolution and put your blue bags into the doggy bins provided.

Thank You.

Progress report on the village projects

There has been quite a lot of activity on the projects which Tau Solar agreed to fund so it is time to give everyone an update.

Pals with Trowels have started to plant the community orchard beside the river. Many thanks to those who helped prepare the ground. Much more work to do when the weather improves so it is not too late if you want to help!

The village shop has two new freezers which will be more energy efficient and provide more storage for frozen food.

The sports pavilion is still expecting its solar panels to arrive any day but there has been a delay in delivery due to high world wide demand for panels. We are chasing the supplier as they have already been paid by Tau Solar.

Tau Solar has also paid for replacement wall panels around the hard court at the recreation ground. Burton Community Sports will install them when it warms up a bit.

The old swing frames have been removed from the children's playground and by the time you read this the new ones should have been installed (assuming there isn't a sudden up-swing in world-wide demand!)

We will soon order equipment for an outdoor gym and to extend the age range supported at the children's playground. More on this soon.

Many thanks to the village organisations who have dug into their reserves and to the individuals who have been applying for additional grants to add to the £30,000 from Tau Solar. You can expect the total spent to be quite a bit higher by the time all these efforts are successful.

Not funny, but topical .. *This is the story about the health secretary who was being shown round a hospital. In one room he saw three poor souls gibbering apparent nonsense. "The best laid schemes o' mice an' men gang aft aghley," one said. "O, wad some power the giftie gie us to see oursel's as ithers see us," said a second. "Wee, sleekit, cowrin, tim'rous beastie," added the third. The health secretary asked what affliction they had, to which the consultant replied: "Oh, this is our Burns Unit."*

2018 Gala

Now, the gala in 2016 was very successful and the idea of combining it with the Big Burton Bash last year, was not so successful. With that in mind, are there people out there with an appetite to help in organizing an event in 2018? Perhaps a Tudor theme, or Roman? If you feel able to help in some way, contact us and we will look at the level of interest and decide what to do. There will be a meet-

ing to discuss it on Sunday 18th February in the pub at 7.30pm. If people turn up there will be a Gala, if not it may be that there is no interest.

IT'S UP TO YOU

andyive69@gmail.com or markchristie101@outlook.com

Bentham Moor Road

Although the new footpath from the bridge means that we no longer need to walk along the road, a number of parents have commented about the speed of vehicles going past the main gate to the recreation ground.

The police community safety program "95 Alive" arranged for speed monitoring equipment to be installed in the 30mph zone in November/December. The speed of every vehicle was recorded 24 hours a day for a week (no photos were taken).

The average speed recorded was 33mph. This means that half of us must have been travelling faster and in fact 15% exceeded 39mph.

If you drive past the recreation ground please be aware that there may be children crossing. Even if you obey the 30mph speed limit this is fast enough to kill. The police have promised to conduct speed checks so please keep your speed down.

BONFIRE !

As part of our 100 year commemoration of the end of WW1 we will be participating in the national chain of beacons as we did for the Queen's Jubilee celebration.

Our bonfire will be lit at 7pm on Sunday 11 November 2018.

Why am I telling you now? If you have any waste wood can you please hold onto it until November when we will arrange to collect it and move it to the site of the bonfire. More details nearer the time.

Many thanks, Ian Thompson

*There are two kinds of people who don't say much:
those who are quiet and those who talk a lot.*

CONCERT & CAKES

Saturday 17th February 2018

2.30pm - 4.30pm

Concert&Cakes is an hour of beautiful music by musicians from the Royal Northern College of Music followed by an invitation to meet the performers afterwards, whilst enjoying delicious home-made cakes, tea and coffee.

**All Saints Church,
Burton in Lonsdale,
LA6 3JU**

The multi-talented Chameleon Wind Quintet will amaze and delight with a programme in which each member performs on multiple instruments, often within the same piece!

**Free Admission
No ticket required
Retiring collection**

April	1 st	8 am Easter Sunday (Holy Communion), 11 am (Holy Communion)

Other Services and Events in February and March

Pancakes 13th February in Burton Village Hall; 4 to 6 pm.

Ash Wednesday Holy Communion Ingleborough Team Service 7.30 pm. St Mary's Ingleton **Stay and Play**, our group for pre-school children (with parent or guardian) meets on Thursdays in the Church Room from 10 am until about 12 noon. There will be a half-term break on 15th and 22nd February; the group will break up for Easter after the meeting on 29th March. New families are always very welcome. There are toys and other things to entertain the children and tea, coffee and chat for the adults. For further information e-mail Ann on elizabethwhitworth@btinternet.com.

The **Maundy Thursday Service** for the Ingleborough Team of churches will be held at St Oswald's Church, Thornton at 6.30 pm on 29th March and our **Good Friday Service** will be held in All Saints' Church at 11 am on 30th March.

Each Friday morning we normally meet at 10 am in the Church Vestry for a short simple time of **Prayers for the Parish**. Do feel free to join us for about 30 minutes.

Best wishes

Catherine and Christine, Church Wardens at All Saints

And from Vicar Denis ...

150th Celebration

In 2018 we are looking to celebrate the 150th anniversary of the church being built. Our church is of some magnificence for a village of this size. It is a place where men and women, girls and boys have worshipped the God of Abraham and Paul, the God of Glyn Price and Kath Salrein. It has been the place for hope and consolation. From here people have returned home with blessings from their Saviour and with their hearts strengthened by the love of God.

Unlike 150 years ago, across our country today there is a deepening secular environment and a significant presence of other faiths. Yet there remains a physical presence of the Christian religion in every community. No other groups - schools, garages, banks, hospitals or even post offices can say that. It is true that a kind of cultural Christianity, which

wants to keep things the same as it has always been, is being challenged, but faith which has a vision to make a difference in our communities, with the values of the Kingdom of God, still burns brightly. Hence we seek to live in the light of Christ, trusting Him to give us the love and grace we need.

Through this anniversary year we want to develop our discipleship of the living Jesus, to deepen our connection with God, one another and the village community. We want to open our building during the day and hope to be able to do this by Spring. When this happens everyone will be able to enter and appreciate not only the heritage but also to have the opportunity of a few quiet moments in what many people believe to be a holy space. With the help of the village Heritage Society we are also planning to house some of the historical records and items of the village heritage in the Tower base with a permanent display area. The 150th anniversary of the laying of the church foundation stone will be celebrated in May with a special service led by the Bishop of Leeds. In the mean time you are always welcome at your church.

The PCC of All Saints Church, Burton in Lonsdale are seeking the families whose loved ones have been interred in the burial grounds of the church. We need to make safe some of the headstones, which belong to the families.

If any of your family members were buried in Burton – please contact the church wardens on [allsaintscw@gmail](mailto:allsaintscw@gmail.com) or telephone either the Rector, Rev Anne Russell (tel:07528572072) or Cathy Birtwistle (01524261334).

Rotary Club of Lunesdale

Bonanza Cake and Savoury Sale plus Crafts.

By popular demand the club has been requested to repeat this very successful event. It will be held on Saturday 10th March in the Lunesdale Hall, Kirkby Lonsdale from 10am - 2pm. The sale offers a unique opportunity to buy a delicious home baked cake or a savoury option for Mum on Mothers Day and maybe a gift that is different for her from the hand made craft products on sale. Tea/coffee and freshly baked scones with jam and cream will be available during the morning. Why not treat yourself and have a chat with friends? A delicious selection of home made soups and bread available to buy for lunch. There will be 11 deserving charities taking part and each one will benefit from the sales of their products. Do please come and support them. Come early to be sure of the best choices. If you would like to bake and donate a cake for the Rotary table it would be most welcome.

In the coming year the Club looks forward to welcoming many interesting speakers from all walks of life, visits to other Rotary Clubs and generally attending other various Rotary events including the District Conference in Penrith in March.

On behalf of President Nigel and all the club members a sincere and very big thank you to everybody who contributed to our local pre Christmas collections with Father Christmas in his sleigh. A reminder that all the money collected goes to deserving local charities/ causes. We wish you all a very Happy New Year.

For information re The Rotary Club of Lunesdale tel 015242 73166

Lilian Barton

ParkRun at the Rec Ground?

ParkRun are keen to support new park runs around the country, where sessions are free and volunteers help run the sessions. So what about having ParkRun UK support a regular Saturday morning run (at 9am?) at the Rec Ground? We have the grass running track so it's a simple route around the field and Run England lap markers tell you how many laps to do for 1km, 2km & 3km runs. If interested in developing a park run with the support of the national organisation then let me know. Mark at markchristie101@outlook.com

Fun Run update

Sat July 7th at 11am is the date & time for the 4th Annual Village 3km Fun Run. Bentham Beagles are lending their support in the planning of the event and will be using it as part of their junior development. There will be post-race massage on offer, plus a range of fun activities to add to the event, and everyone who completes the run will get a medal. Details to come in future issues. So start training!

Mark C on behalf of the Fun Run Committee.

Outdoor Gym

Plans are well advanced now for a new 'outdoor gym' facility at the Rec Ground. This will involve a mix of cardio and resistance machines which will be free to use. So teens & adults get ready to workout on the new equipment! Watch this space. Thanks to the Parish Council for their support for this village project.

Mark C.

Circuit Training

Classes are packed to the rafters but if you are interested in joining the weekly circuits classes at the village hall get in touch with Mark at markchristie101@outlook.com or mobile: 07843 187744. Cost is £22.50 for five sessions payable on first night. Junior/student rate £12.50 (13 years and over). Next block starts Weds Feb 21st at 7pm. After Easter sessions move outdoors on the astroturf.

Lonsdale Archers

A taster day is planned for early May, cost £12pp for an hour. An 8 hour beginner course spread over two weekends is planned for June, cost £50pp. If you attend the taster you get a £12 discount on the course. Once you have completed the course you can then join the club (or any club in the country) with your certificate. The club has regular sessions indoors in winter and outdoors at Rec Ground on Sunday afternoons in spring/summer/autumn. We have plans to expand the junior section this year so any interested young archers get in touch! Find us on Facebook or contact the secretary markchristie101@outlook.com.

Lonsdale Wheelers

The club has 17 members but we'd love to have more! Rides are (weather permitting – no snow please!) on the first & third Sundays of the month, setting off from the pavilion. Enquiries to David djomjo@btinternet.com or Secretary Tim timrollinson@icloud.com or Chair ianparker47@talktalk.net. Membership is only £15pa. We are aiming to enter more events this year locally and regionally. Distances range from 20-40 miles for club rides, oh and we love a tea room stop (even the serious ones!).

'Bethlehem comes to Burton'

This Christmas time saw a new tableau of Nativity figures displayed firstly in the Methodist Church and then in All Saints Church in time for the Village Carol Service on the 17th December. The Nativity figures along with a small flock of sheep were lovingly knitted by ladies from the Knit & Natter group. Having found no room at the Inn, Mary, Joseph and baby Jesus found shelter in a stable designed and made by Brian Stephenson and project managed by Carolyn. The stable was skilfully crafted out of recycled shingles from the Church spire and the beams and a loft ladder were made from Hazel twigs cut from Brian's garden. The completed display looked splendid and will continue to be a focus of Christmas for the village in years to come. A knitting pattern for a donkey has now been found so next Christmas this important

animal will be added to the Nativity scene.

Anyone wishing to join the Knit & Natter sessions will be most welcome and are held in the Methodist School-room at 2-00pm on January 17th, February 8th and March 8th. The group also knit items for people with dementia, premature babies and items to place in the Christmas shoe boxes.

Just off the press, Brian is making a second stable so each Church can have their own. Well done Brian.

Jane Burns

WomensWork100

Female munition factory workers

We're pleased to share with you our new downloadable digital exhibition available as part of WomensWork100 (www.1914.org)

The WomensWork100 programme will recognise and celebrate the working lives of women during the First World War, against the backdrop of the campaign for female suffrage.

VILLAGE CRICKET MATCH

Put this date in your diary

The village cricket match will be on Saturday the 21st July. It will be an afternoon fixture – the exact timing of start is still to be determined.

If you want to play, please contact myself or Mark Christie.

Mike Illsley

BURTON WI

In December Burton WI held a Christmas wreath making event in the Village Hall. Unlike traditional wreaths using seasonal foliage and berries a selection of patchwork fabrics were used to create beautiful centrepieces for the festive period. We had great fun and are grateful to Heather Randall who made the initial suggestion we had a go at making the wreaths, sourced the materials and gave tuition and encouragement on the day.

Our Christmas party for members and guests was also held in the Village Hall. Delicious food was provided by members, while a Christmas quiz was organised by Carolyn.

The first meeting of the New Year was launched with a talk by Maggie Bruno called 'There But for Fortune'. She began by telling us how she realised what a privileged life she lived. We are all lucky to have safe and comfortable homes compared with the plight of refugees worldwide. She described her personal experiences volunteering with the British Red Cross and local groups committed to helping vulnerable people who have been settled in the Bradford area. If anyone would like to know how to help, Maggie would be pleased to hear from you.

Sue Thompson

We meet on the first Thursday of every month at 7.30pm in the village hall and we welcome visitors (and new members!).

1st February Tony Bennet – Tai Chi session. Hostesses: Carolyn Stephenson & Margaret Owen.

1st March Helen Jarvis, a retired headteacher on 'The History of the Black-board'. Hostesses: Edith Hunter & Margaret Owen.

5th April MEMBERS EVENING. Hostesses: Jennifer Sedgwick & Heather Watts.

MargaretG.

LITTER PICKING SATURDAY, 3rd FEBRUARY

It's been a year since the last litter pick – fortunately some good people have periodically gathered litter, so the verges aren't as bad as they might otherwise have been.

Nonetheless, a bit of a clean up before Spring is required – if you're able to help, you'll be most welcome.

Please contact me by 1st February to let me know if you'd like to help.

Susan Gregory

Craven and the First World War Project

Raikeswood Camp website launch

A new website about Skipton's WW1 military training and POW camp will launch in January to coincide with the centenary of when the first German prisoners arrived in Skipton in January 1918.

The website will include a 3D interactive virtual model of the camp allowing visitors to explore what the camp would have looked like 100 years ago. More details to follow.

'Raikeswood Camp: German POWs' experiences 1918 - 1919' U3A course

Every Monday, 1.30-3.30pm, from 15 Jan - 19 March - Swadford centre, Skipton

Learn in some detail about the bleakness and routines of camp life from the POWs' arrival to departure, their attitudes to their captivity and their captors, their ingenious ways of relieving the tedium, their reaction to the Armistice as well as their impressions of the Skipton and Yorkshire of 100 years ago. A few places still available. Contact course leader, Nigel Holden, on 01756 793593 or Nigelholden123@aol.co.uk

CRAVEN CONCERNS

By District Councillor Linda Brockbank

Tel: 015242 61598

Email: cllr.lbrockbank@cravencd.gov.uk

CRAVEN COMMUNITY CHAMPIONS AWARDS

The awards ceremony took place on Thursday 11th January 2018 at Coniston Hotel.

The different categories are sponsored by local organisations and businesses based in Craven. Each finalist makes a video presentation which is shown at the awards ceremony. It's a tense moment for all the finalists and although judging took place in November the outcome is a closely guarded secret, so no one knows who the winners are, until the final moment!

So, if you know of a worthy organisation or individual who contributes to our community and you think they should have special recognition then why not nominate them for an award? Nominations don't open until the Autumn giving plenty of time to keep an eye open for that special individual or organisation that deserves recognition.

NEW WEBSITE FOR CRAVEN DISTRICT COUNCIL

Craven District Council has launched a new website on January 9, 2018, to provide better online services for residents, businesses and visitors.

The website has been designed to make it easier for residents to find information, pay bills and report any issues.

The new website platform will save the council money – approximately £10,000 over the next five years.

The site will be more mobile-friendly, and a new feature called “My Account” will be rolled out meaning that residents can log on to the website and view any transactions they have had with the council.

Recycling bring sites to be removed across Craven

Craven District Council's Policy Committee has agreed to remove all its remaining recycling 'bring sites' across Craven except for one in Embsay.

Most sites were removed at the end of 2016 after concerns that they were being abused by businesses who were using them to dispose of commercial waste.

A consultation also found more than 95 per cent of respondents would use alternative recycling services such as the household recycling services, other recycling centres, or charity shops, if their local bring site was closed.

Six bring sites were retained, at Grasmere Close car park, High Bentham, Main Street car park, Embsay, Glusburn Institute car park, Glusburn, Whitefriars car park, Settle, Community Centre car park, Ingleton, and Coach Street car park, Skipton.

However, the council has monitored the remaining sites and found that they are still being used by businesses who then avoid paying for commercial waste disposal.

Wyn Ashton, Environmental Services & Housing Manager at Craven District Council, said:

"All our residents have the opportunity to use our doorstep recycling service since the extension of kerbside collections of glass, plastic, cans, paper and card to all properties in Craven in February 2010.

"Businesses should be paying for their own collection and disposal of waste and recycling. However it is clear that a number of businesses continue to abuse these bring sites, meaning that the council has to spend tax-payers' money on extra collections at the sites.

"Some residents are also using the sites to dispose of residual household waste, and electrical and electronic equipment, which should be disposed of at Household Waste Recycling Centres."

The proposals are to remove all bring sites from the district from January 20, 2018, with the exception of Embsay.

Notices will be placed at all bring sites warning residents of the removal date, and alternative methods of disposing of recycling and waste. The closed sites will be monitored to deal with any fly-tipping issues that may arise.

Business NEWS

YORKSHIRE DALES LEADER PROGRAMME

The programme has announced an extension to its spend deadline and is actively seeking projects from Craven businesses wishing to grow or expand their offer; invest in complementary activity or purchase capital equipment. Anyone who may be thinking about establishing a new business can also seek support. The final deadline for applying for LEADER funding is 3 September 2018 with a final project completion deadline of March 2019 - although don't leave your project until the last minute!

With grants available from £5,000 up to £150,000 projects must align with one of the six LEADER priorities of business growth, tourism, culture, rural services, forestry or farming. Full details of the Yorkshire Dales LEADER Programme, including contact details for the LEADER Co-ordinator; Rima Berry, are available on the web-site www.yorkshiredalesleader.co.uk and details on the types of project LEADER will support can be found at there

DIGITAL ADVANTAGE

Businesses who may need a helping hand when considering investment in new digital equipment or services can now benefit from 'Digital Advantage', a new funding programme available across Craven.

Digital Advantage offers grants of between £1,000 and £5,000 to cover 40% of the consultancy costs associated with identifying and improving the digital capacity of a business. The grants can be used to support a range of improvements such as:

- * Photo and video content creation
- * Mobile optimisation;
- * Creating a bespoke digital marketing strategy;
- * Designing a new telephony system

Available across the whole of the Craven, the scheme is managed by 'CU Scarborough' part of Coventry University.

Further information on the scheme, including contact details for support in applying for a grant can be found at <http://www.cuebusinesssolutions.com/digital-advantage/>
