PRICE: 25p / FREE to residents

Village Websites ...

www.burton-in-lonsdale.net
www.burtonshop.co.uk
www.burtonsports.co.uk
www.burton-in-lonsdale-village-hall.co.uk

And do look up the various Facebook pages of the Village, the Shop, the Village Hall, Sports, Stay & Play, the Punchbowl

Plenty of activities to read about in this issue, including cycling, archery & circuits. Also see articles about Burton WI, the Village Hall, photography and Hornby Pool. Lots happening in our churches as well.

As always, there is a lot going on in the village and the surrounding area and hopefully, over the school holidays (and beyond?) we will have the summer weather we want, in order to best enjoy the outdoors.

Do look at the Village Calendar for updates.

Looking forward to next year, there is a proposal to hold a street party to celebrate the anniversary of VE Day, do contact our correspondent to offer your support. See page 23.

Too much inside to mention everything here, do enjoy reading the latest issue of the *Burtonian*. As ever, please let us have your comments & suggestions for the next issue.

David & Marilyn

Do you have the power to join Lonsdale Wheelers?

That's *battery power* not *leg power*.

The increasing use of E-Bikes has encouraged Burton based Lonsdale Wheelers Cycling club to explore the possibility of joint rides with their 100% motor free friends.

Lonsdale Wheelers recognise their popularity & guess that you will be like-minded individuals who are happy to do around 20 miles on the back roads & throw in a café stop. That's well within the range of battery power & we bet it's well within the range of your fitness levels. So please contact Ian Clarke at clarkeian@me.com to register your interest in this innovative approach. The plan is to meet on the 3rd Sunday of the month now that with Spring & Summer are upon us. But please email your interest first so that we gauge demand.

We'll be mixing electric power with slow twitch muscle fibres to bring both groups together – it should be different & fun!

David Owen for Lonsdale Wheelers

'SENIOR MOMENTS' DUO & BLOOD BIKES NORTH WEST VISIT BURTON WL.

Our June meeting included entertainment by 'Senior Moments' a comedy duo who performed songs and poems for us. This year is their final year of touring, by the end of which they will have completed 300 performances in aid of Macmillan Cancer Support.

At the July meeting a representative of North West Blood Bikes (North Group) spoke to us about the work of this charity.

The movement began in the 1960s operating from a private house in London and was at that stage called 'Volunteer Emergency Services'. It is now a nationwide organisation, provided by volunteers working after 7pm, at weekends and bank holidays delivering emergency supplies of blood, platelets, donor milk for babies, medications, samples and medical notes to local hospitals. They also supply blood to the North West Air Ambulance. They chiefly use BMW police-style motorbikes with Blood Bikes livery, and have 24 motorbikes (more than Lancashire Constabulary). Some riders use their own bikes too. Typically answering 14,000 calls per year, the North section of North West group alone has saved the NHS around £13,000 *per month*. The money saved has gone directly into NHS frontline services. There are 450 volunteers in the North West Blood Bikes Group.

Margaret Owen

BURTON IN LONSDALE FILM NIGHTS

The popular Film Nights will re-commence on Tuesday 10 September and each second Tuesday in the months thereafter. As yet we have not finalised the programme for the coming season but posters will, as always, be placed around the village and information posted on the village web site and Facebook page.

Following on from the hugely popular *Bohemian Rhapsody* as the finale to the summer season, we are trying to obtain *Rocket Man* to kick off with in September, but this is by no means certain! Keep your eyes peeled for more information.

The Film Committee

"Thank you for giving me back my smile and confidence."

"The dental treatment that I received was first class, painless and gave me the confidence to "greet the world" with a smile once again."

"I am an extremely nervous patient, but I can assure you that the whole process from start to finish was pain-free and surprisingly fine."

Lunesdale Swimming Pool .

The refurbished 'Hornby' pool was re-opened last October and is really doing very well. Apart from the essential school sessions and public swimming, which caters for all ages and interests, there are lots of new social and skills groups enjoying the crystal clear water of this eco-friendly little pool..

There is a new summer swimming timetable and recently introduced new classes adding to the ever growing pool use.

This includes- 'Ducklings' on Thursdays, 2pm - 2.30pm with Alex and 'Gentle Water Work-out' on Fridays, 9am - 10am with Cathy. This is a low impact aquatic workout that's gentle on the joints, bones and muscles? It's a fun fitness class to improve your core strength, endurance, range of motion, flexibility and balance. Don't even have to swim! Over 16s – all set to popular music.

Don't miss out, book your places now on or just pop in and talk to the team about these and other changes. (01524) 805666

We are delighted and proud to announce that Lune Valley Swimming Pool is now a RLSS (Royal Life Saving Society UK) Approved Training Centre. Huge congratulations to our very own Rookie Lifeguards who were all awarded their RLSS Bronze Stage 1 certificate and badge recently.. All thirteen candidates attended our 10 week course and have completed the necessary criteria to move on to further qualification. This programme encourages young swimmers to improve their swimming ability and gain skills, understanding and confidence needed to save the lives of others in and out of the water. The first 2 courses have sold out but more will follow.

To this end we are pleased to have received a wonderful donation from the Wennington & District WI when Chairman Bob McGachie accepted a cheque for £700 and confirmed that this will be spent on specialised equipment for youngsters of the Lune Valley with clubs such as Ducks and Duckling and Junior Lifeguards.

Which of course brings us to funding. The pool is open and growing but we still need funding for essential maintenance and upkeep. We are still chasing up pledges and it's probably an oversight but we would be most grateful if these could be honored as a matter of priority. Thank you all for your supporting this most valuable Lune Valley Community asset. Do call in or check our website and Facebook, as follows.

www.lunevalleypool.com Facebook ***lune valley swimming pool*** .

Bentham Community Primary School

Is your child aged 3+? Are you looking for Nursery provision locally?

Bentham CP School has a Nursery class for children aged 3+, led by a qualified teacher

15 hour Universal Funding available (9.00am-12.00noon every day)

30 hour funded places available (9.00am—3.00pm every day, option to extend to 3.30pm)

Transition to a Reception class in any school will be accommodated, including to Bentham CP School.

Come and visit us in action 015242 61412

Headteacher: Mrs Claire Pearson

Rotary Club of Lunesdale

As I write this the Rotary Club is preparing to welcome and entertain for the day 11 youngsters from Belarus on Tuesday 18th June. Originally it was to have been 12 children but one of the little girls has been hospitalised as a result of having convulsions. We hope that she is soon free of these attacks and wish her well in the future. We meet up with the youngsters at 10am in Kendal at the Lakeland Climbing Wall. They love the challenges, adventure and excitement the wall provides. After this we drive to Kirkby Lonsdale to arrive soon after 12 noon. By this time the children are ready for a buffet lunch which is provided by the Club and is prepared and served by the wives of some of the Club members. We appreciate and are grateful to the ladies for their time and commitment on this occasion. After lunch the children will be taken out for the afternoon to a local park (weather permitting) to the swings and if time allows we shall go for a local walk. Finally we return to the Lunesdale Hall when the youngsters will be ready to enjoy a drink and a snack. After this they will each be presented with a backpack filled with useful toiletries. Each backpack however has a teddy bear sticking out of the top! These bring a big smile to little faces and the teddies are soon being given hugs and cuddles. So another visit comes to an end and it is time to say thank you, give hugs and say goodbye. With a lot of help from 2 interpreters Rotarians and children alike have enjoyed a busy but happy day.

On 27th June Dave Lewis became the Club's President for the coming year.

GARDEN WITH GUNTHER

Eighteen gardens all beautiful in different ways and delicious cream teas in the Village Hall were the highlights of this year's Open Gardens held on Sunday 23 June. A great deal of work went into organising this year's event which proved a huge success. Folk came from

all over to stroll around and admire Burton's lovely hidden away gardens and buy from the plant stall, many remarking on what a nice village Burton is. A great team provided non-stop cream teas all afternoon which were happily seen off. But our biggest thanks must go to those who worked so hard to make their gardens beautiful for the rest of us to enjoy. Please have a look at just a small selection of the many lovely pictures of the day, displayed in the centre pages.

Where would we be without David Thornber's expert advice? Here are his tips for your August/September garden.

Gardening jobs for August.

Continue to deadhead container and hanging basket plants to encourage them to flower on well into the autumn period as well as giving them a weekly liquid feed.

Have a good look at the borders in general at this time of year and even take photographs as now everything is in full growth you may want to rearrange things over the late autumn period.

Whilst thinking about the herbaceous areas, cut back faded perennials such as Geraniums, Brunneras, etc to keep borders tidy and also trim back Lavender plants later this month when they have finished flowering. To keep them compact and neat, take off all the flowering stems and a couple of centimetres of this year's growth.

Prune Rambling Roses after flowering (non-repeat flowering type) by removing the oldest stems down to the base of the plant and tying in the vigorous new stems that will bear most of the display next summer.

Finish clipping any evergreen or deciduous hedges now as all the bird activity will have calmed down now that fledging is complete.

Control leaf disfiguring Powdery Mildew on Michaelmas Daisies, Roses and Acanthus Mollis by spraying with a general fungicide. Also some Clematis varieties are prone to outbreaks of this fungal attack. If seen early the problem is easily rectified and as Mildew favours dry soil conditions try watering and mulching vulnerable specimens so they can build up some resistance.

Keep Camellias and Rhododendrons well watered through the late summer because their flower buds for next spring are beginning to form.

Cuttings of Fuchsias and tender perennials such as Osteospermums can be taken now and will quickly root at this time of the year and the resulting young plants will be sturdy and over-winter successfully on a window sill or heated greenhouse.

Jobs for September

You can start planting the spring flowering bulbs such as Narcissus, Tulips and Hyacinths ready for next year's display, possibly filling in any gaps seen in the borders during the previous month.

Feed your lawn with an autumn lawn fertiliser which is high in potassium and low in nitrogen to strengthen the turf up for the winter ahead.

Improve any heavy or waterlogged prone areas in your garden before the very wet and freezing weather arrives by incorporating horticultural grit or organic matter such as spent mushroom compost or the contents of the compost bins in the garden, which will also make room for the autumn leaves that will be collected shortly.

Collect ripe seeds from your favourite flowers and store them in labelled envelopes ready to sow in the spring.

If Roses have developed a touch of Blackspot during the late summer period it's worth taking the time to remove all the affected leaves, including those that have already fallen to the ground or got lodged behind trellis work. This will help stop spores overwintering and should help reduce the risk of contamination next season. Do not put the diseased leaves into the compost bins.

Remove any shading material from the greenhouse now as light levels are starting to fade and allow as much remaining light as possible to reach the plants inside.

This is a great time of year to divide and replant a wide range of herbaceous perennials as the weather is still kind and the soil warm. The newly planted divisions will establish a renewed root system prior to winter and give a good display next season.

VETERINARY ACUPUNCTURE

Long recognised in human health, how many of us have thought about acupuncture in relation to the health of our pets? Animal acupuncture is an effective therapy in modern veterinary medicine.

What is acupuncture? Acupuncture is the insertion of needles into specific points of the body to produce a healing response. This involves stimulating repair mechanisms within your pet's immune system, nervous system and hormonal and cellular systems. Administered in a quiet, calm environment, the therapy is tolerated very well and often very much enjoyed by the recipient!

Under UK law animal acupuncture may only be administered by appropriately qualified veterinary surgeons. Here at Dalehead Veterinary Group, vet Sharon Leak is appropriately qualified in acupuncture therapy, and we are now offering this service to our patients with fantastic results. Especially useful in chronic conditions, the therapy can be effective for many complaints:

- Chronic pain (from many origins)
- Gastro Intestinal problems
- Chronic respiratory disease
- Some behavioural problems (often pain related)
- Chronic fatigue or eye disease
- Incontinence, heart or liver disease
- Nutritional (e.g. IBD)

Working as a team with our owners and their pets, our aim is always for pain free, happy and healthy animals. Managing chronic conditions can be challenging and it is finding the right treatment path for your individual pet; whether medication, diet, complementary therapy or a combination of all the above. With Sharon's help acupuncture can be a key therapy to help as Rhubarb can confirm!

For more information about our veterinary acupuncture service, please contact us.

News From Bentham Medical Practice – 27th June 2019 Minutes

By Danny Conroy (dsconroy44@gmail.com)

The Patient Representative Group for Bentham Medical Practice meets every few months. It's our chance to have a say about what is happening in our local Medical Practice and if you are interested in joining the group then please contact me for further details. Lorraine Crossley –Close, Danny Conroy, Judith Nicol, Bronwen Osborne, Tony Hudson, Diane Faraday-Williams and Lindsae Lister were present at the June meeting.

In our practice Dr Martin has started and will be working Thursday and Friday. The new phone system is now in place and there has been positive feedback so far. The surgery has new chairs to help with more comfortable seating and the old chairs have been taken to the Victoria Institute where they will get further use. This autumn we will be distributing the Patient questionnaires and hopefully, with your support, we can all help contribute to completing these and further improve the practice.

An improvement to the **MyGP app** was suggested by inclusion of the Day as well as the Date. This suggestion was passed on to the developers and has now been implemented.

At a recent UHMBT governors' meeting the Butterfly Scheme for Dementia was discussed. The butterfly scheme involves a discrete butterfly being displayed above the patients' bed and on their records so that staff are made aware that the person may need extra care and attention.

Autistic Passports were also discussed which are documents that state the concerns they have which will help improve treatment. It was suggested that we could approach UHMBT about passports for dementia patients – these would not be as detailed.

A VIEW FROM THE SHOP FLOOR

Have you ever thought of volunteering to help in our village shop - and then thought better of it? Maybe it'll take up too much time. Maybe it'll be more complicated than I thought. Maybe I won't enjoy it.....

Well, as a regular volunteer, I want to assure you that our shop, as well as being a fabulous resource for the village, is a really great place to work. You can do as many - or as few - hours as you like. You'll be shown how and what to do, including operating the till (and if I can do it - well, you can too!) Sarah and Julie are really supportive, and the other volunteers a great team. It's also a really good way to get to know people in the village, and maybe even make new friends.

Whether you've lived in Burton all your life or you're the most recent 'off-comer' we'd be glad to welcome you to the team; and you'd be playing your part in keeping our wonderful shop going - a vital presence in the village.

Give it some thought - and then speak to Sarah!

Peter C.

On the 14th July, Sunday evening, it was noted that the small sprung gate leading to the recreation field was severely damaged and lying on the ground. A few weeks prior the same gate was repaired due to it being deliberately broken. This gate acts as a barrier to small children running out on to a busy road on a bad bend.

There are people in the village who give many voluntary hours to help keep the village centre, the riverside and the recreation field looking good for the benefit of everyone.

Volunteers sought for Burton Village Working Party

You may be aware of work being done in and around the village, for example grass verge cutting, stone walling, footpath repairs, painting and so on. This has helped a great deal in keeping the village tidy and pleasant – and keeping your council tax bill to a manageable level! In the past the volunteers have saved the Parish Council a significant sum of money which would have otherwise been added to your council tax bill.

The Parish Council is seeking more volunteers to come forward to get involved with various maintenance tasks in the village. There's a variety of jobs to be done, you could almost say you're spoilt for choice. And it's a very good opportunity to get to know other residents, if you've just moved here.

If you'd like to get involved, even for just one job, contact the Clerk or Chairman, details below.

Chairman Ian Thompson: telephone 015242 62472 or email ianrt2003@hotmail.com or

Clerk Susan Gregory: telephone 62863, email bilparishcouncil@btinternet.com .

Looking forward to welcoming you to the Village Working Party.

Susan Gregory, Clerk

Bentham Community Primary School - July 2019

What an amazing journey this academic year has been, with children from all classes enjoying and engaging in a number of educational visits, sporting events and extra-curricular experiences! On Sunday 7th July 2019, our Year 6 Netball Team made up of Aniesha, Robyn, Jack, Eddie, Emily, Aime and Reuben all represented our school and 'Team Craven' at the North Yorkshire School Games finals. This was a remarkable achievement, and as a school we are, as always very proud of our children. Miraculously, this year's Sports Day went ahead as scheduled on Thursday 4th July! The weather was glorious, and children all thoroughly enjoyed taking part in a variety of athletic activities cheered on and encouraged by parents, carers, family members, friends and class mates! It was lovely to see so many parents supporting children and joining them afterwards, in the sunshine, on the school field for a picnic style lunch. I am also pleased about our recent success in the Phonics tests. All children in Year 1 are tested on their ability to meet a national standard in reading and 100% of our children met this standard this year which we are very proud of.

As is always the case, School Reports are sent home during the month of July. As Headteacher, it is always a treat to read how children have flourished and enjoyed their learning at the school. As part of school reports, children are invited to include a paragraph reflecting how they personally feel about how their school year has progressed – it is lovely and a privilege to read such positive and engaging comments from children. We hope that there are some very proud parents.

We are still actively seeking enthusiastic Governors to join our friendly dedicated governing body. Governors can come from a range of different backgrounds, all bringing a variety of skills, experience and expertise to our Board; our governing body do all share one common interest - striving to achieve the best possible educational experience for children at Bentham Community Primary School. If you, or someone you know, might be interested in becoming a Governor at the school, or if you would like an opportunity to discuss any aspects of the role, prior to committing please do not hesitate to contact the School Office on 015242 61412.

As we break for the Summer we would like to take the opportunity to wish all of our year 6 children the very best of luck as they enter the next phase of their educational journey. At the same time, we eagerly look forward to welcoming new children to our Nursery and throughout the school as we have some new families join us in September 2019.

Finally, please remember to regularly check our school's website page www.benthamcpschool.org.uk, alternatively why not follow us on Facebook?

Mrs C Pearson
Headteacher

Spring Plant Sales

Thank you to all the people who bought plants from me.

I raised £150.00 which will be split between Church funds and The British Red Cross Yemen crisis appeal.

Burton in Lonsdale Sports Pavilion, Recreation Field and All-Weather Facility (MUGA)

These fantastic facilities are great sports and social occasions. This year has seen some very enjoyable events being held at the Recreation Field and using the Pavilion, including the annual Village Cricket Match, family events, and birthday parties.

There's two team changing rooms and a referee's changing room, all with showers.

Hire of sports facilities:

	<i>Village Groups</i>	<i>Other Groups</i>
Changing rooms (with showers)	£8 / hour	£10 / hour
Recreation Field:	£8 / hour	£10 / hour

All-weather Sports Pitch can also be hired as follows:

Non members	£1.50 / hour / person
Teams (e.g. five-a-side)	£10 / hour
Under 16s	No charge
Lighting tokens	£5 / token (approx 1 hour lighting)

The social room can accommodate 60 people, and has a kitchenette where drinks and light refreshments can be prepared.

Tables and chairs ensure you can sit down and have a cuppa in comfort!

Hire of Social Room and kitchenette:

	<i>Village Groups</i>	<i>Other Groups</i>
Up to 5 hours	£10 / hour	£12 / hour
Over 6 hours (ie all day)		£70

In both cases, there is a cleaning charge of £10 in addition to the hire charge.

We hope to install a small cooker in the kitchenette in the near future (the wiring and plug are now there – just a question of the cooker!)

Also, if you have an event that's larger than the pavilion's capacity, it's possible to erect a marquee alongside the pavilion to enable a larger group use the facility.

To hire the pavilion and/or the Recreation Field

12th September to 15th September

10am – 5pm

All Saints Church

Please come along and find out about Burtons past.

Village Hall News

You will have seen from previous articles in the *Burtonian* that there is a plan to extend & refurbish the Village Hall, to create new toilets and to increase the space available for equipment for all the uses the Hall caters for.

It would also mean that the Hall could cater for more types of event in the future.

The Hall committee would like as many users and village residents as possible to be involved in the work being done so as to be able to take your views into account.

If you use the Hall at all, for meetings, for Table Tennis, Circuit Training, Archery, Karate, the Film Nights, Dominoes, WI, Music Nights, Gong Baths, Coffee Mornings and, of course the fabulous WW1 commemorations, you **do** have an interest in what is being done.

Perhaps you don't use the Hall at present but would like to see more use made of it. Please let us know your views or help in our planning.

We are still waiting for quotes for the toilet extension, perhaps you might know some firm that might be interested. We are planning to do the work next year but we do need estimates now in order to secure grant funding.

We are also getting a quote for new lighting which will be LED's on dimmer switches, to give better mood lighting for events.

The *Bijoux Burton Bash* is on in September as advertised elsewhere in this *Burtonian*.

Do get in touch, this is **YOUR** Village Hall.

PARTY TIME

By our Community Affairs Correspondent

What a great day Open Gardens was and as has been reported elsewhere some amazing gardens were on show. Having so many people wandering the streets for a few hours had unexpected benefits, for the first time ever it was possible, for those few hours, to receive a mobile phone signal indoors on Low Street. How did this happen you may ask, well the answer is so obvious I won't even explain but the point is that until the PC and the PCC get their heads together and persuade the providers to install a phone mast either in or on the Church steeple we must make our own arrangements, so if everyone not living on Low Street could stroll about the village for a few set hours each day, problem solved. Speaking of strolling about the streets there has been a suggestion that we could have another street party next year to celebrate the 75th anniversary of VE Day. I know it's only seven years since the last one, for the Queen's diamond jubilee, and we don't want to overdo things but it was a brilliant day as part of a superb weekend so maybe it's worth repeating. On that occasion we had a jazz band outside the pub with tables and chairs along much of Low Street, everyone brought food. Suggested date is either Friday May 8th, the revised May Day Bank Holiday, or Saturday the 9th. It may seem a little early to be thinking so far ahead but there are a few things to organise.

Entertainment

Getting agreement from residents

Tables, chairs, plates, knives and forks

Timing

Clearing up

Road closure/emergency access

PA system

Funding

Contingency in case of rain

Anything else

So far there have been four offers of help but if you would like to become involved it would be good if you could email veparty20@gmail.com with a response along the following lines:

Yes, I/we would love to come to the street party.

Yes, I/we will help to organise the event.

No, I/we cannot help to organise but will help on the day.

Please put 'street party' in the subject line, and please **DO IT TODAY**.

Whether or not the event takes place will depend on the response to this request.

More information about the event is on the website: www.veday75.org/get-involved/

September 22 nd	11 am (Holy Communion)
September 29 th	11 am Family Communion

Other Services and Events in August and September

All our services are open to everyone in the parish and we would love to see you either at a service or to join us for coffee in the church room after the Sunday morning service at 12 noon.

Stay and Play, our group for pre-school children (with parent or guardian) meets on Thursdays in the Church Room from 10 am until about 12 noon. The group has broken up for the summer but will start again on Thursday 12th September. New families are always very welcome. There are toys and other things to entertain the children and tea, coffee and chat for the adults. For further information e-mail allsaintscw@gmail.com

Each Friday morning we normally meet at 10 am in the Church Vestry for a short simple time of **Prayers for the Parish**. Do feel free to join us for about 30 minutes.

Village Easter Services 19th – 21st April. Thank you to all who joined the congregations at the Ceremony of the Cross on Castle Hill and who joined us for the Evening Songs of Praise on Easter Sunday. There were no formal collections at these events but as a result of the generosity of worshippers, £50 has been sent to The Children's Society.

Open Heritage Days 13th – 21st September All Saints Church will be open throughout this period for anyone who wishes to visit the church, churchyard and gardens, but no displays have been planned by the PCC, however, other groups in the village have been invited to put on exhibitions – watch for posters around the village.

Catherine and Christine, Church Wardens at All Saints

And from Vicar Denis.....

“Climate change is our World War Three”.

It's an attention grabbing headline and was the title of an article in the Guardian in June. It was written by Nobel Laureate Joseph Stiglitz who argued that we should be on a war footing in order to face the challenge of climate change. The economist, Stiglitz, declared we can and must afford it. Our civilization, as we know it, is at stake. This might be over dramatic to some but it rightly engages our children and grandchildren who will have to live on the planet we leave them with.

All of creation was handed into the care of humankind to steward it, to look after it, not to pillage and plunder it. We are doing our part by following the Eco church agenda, to do our best to be the best stewards, and will shortly be receiving our silver award for it, but reducing our carbon footprint is a challenge for everybody. I would encourage everyone to take this seriously.

Care of the environment, to strive to safeguard the integrity of creation and sustain and renew the life of the earth, is one of the marks of Mission of the church. It is a on a global scale but we cannot neglect the individual, our place in the created universe. God cares for the small things as well as the great things. The Bible tells us that the very hairs on our heads have been numbered. Now with some people that can be an easy job! But it underlines God's love for us and the question arises how do we respond to this?

In September we will be holding a series of meetings, at the Marton Arms, to discuss the big questions of life, to give the opportunity to reconnect with the faith of younger years or simply to ponder anew the great love God has for us.

Watch out for publicity, on Alpha, nearer the time. We begin on September 19 with a free meal!

May God Bless You

Denis

ALPHA COURSE

Everyone has questions. In Burton, and across our area, we believe that everyone should have the chance to explore the Christian faith, ask questions and share their point of view. That's why, starting in September, we are running an Alpha course in the Marton Arms. Over ten sessions, together we'll explore the Christian faith. Each night looks at a different question around faith and is designed to create conversation. No two Alphas look the same, but generally they have three key things in common: food, a talk and good conversation. It's free and anyone can come - and no question is off limits. See Rev Denis or visit the Ingleborough Team of Churches website: www.ingleboroughchurches.org.uk

Fabrics and More.....

The Village Hall committee and All Saints Church are joining together to put on a Coffee Morning with fabrics and other haberdashery items on sale on Saturday 21st September in the Village Hall. Free entry - donations for coffee.

Proceeds between the Village Hall and All Saints Church.

Bijoux Burton Bash

Now then. There was a rumour that the 'Big Burton Bash' was on, then rumours of it being cancelled. Well, the Big Burton Bash has become the Bijoux Burton Bash, to be held in the Village hall on the 21st September. Tickets (£10) will be on sale in the shop soon. Music will be provided by the Local Burton Band THR33, and it promises to be a great night of covers and lots of dance music. Tickets will be limited, so get in early. **Andy Ive**

Bijoux

Concert&Cakes opens the Autumn 2019 Season with this year's winners of the Chris Rowland International Chamber Music Award - the Larisa Trio, on Saturday 19th October. This trio were the winners selected by both the judges and also the audience at the Award evening held at the Royal Northern College of Music in June. Both Cathy and Christine were there and delighted to meet up with the Trio's tutor Donald Grant, Deputy Head of Chamber Music and himself a distinguished chamber musician. Donald was Chris Rowland's star student and he now plays Chris's violin as leader of the Elias Quartet. Save the date now for this and also November 16th, when we'll be introducing a sparkling new wind quintet. All concerts start at 2.30pm and are held at All Saints Church, Burton in Lonsdale.

Christine, Cathy and Steve

For further information, to help on the day, or to go on the mailing list, email

Concertandcakes@outlook.com

CONCERT & Cakes

The Childrens' Flowerbed

I hope, by now, many of you in the Village will have seen the partially completed Childrens' Flowerbed in All Saints' Graveyard, which is being created to celebrate the memory of beloved children lost through miscarriage, stillbirth or in any other way. The snowdrops have been planted (and a big thank you to the many people who donated their snowdrops in the spring) and it is now time to proceed with stage two, buying and planting the rest of the bulbs. It is planned to put white narcissi and tulips in the central part of the bed. If anyone would like to make a contribution to the cost of the bulbs please would you give it to one of the All Saints Churchwardens, Christine Whitfield or Cathy Birtwistle or to Cathy Rowland at Pye Cottage, 19 Low Street. The bulbs will be planted in the autumn ready for next spring. Many thanks,

Cathy Rowland
