The lovely weather of the last few weeks has given ample opportunity for the latest additions to the village to be put to the test. The new playground equipment and the outdoor gym have so far proved to be very popular, as have the newly built picnic tables at the community orchard site. Hopefully, if the summer continues to deliver such excellent weather these facilities will continue to be used by as many villagers as possible.

Both the table tennis and dominoes clubs would be happy to welcome new members so please do make contact if you would like to try them out.

Please also note that the Film Nights will take a short break for the summer and so there will be no films shown in July and August, they will return in September.

There are lots of activities taking place throughout the summer, do check them out in the events diary on page 3.

As always, we welcome and thank you for your comments, articles and letters, so do keep them coming. We also have two new adverts this month, do please patronise our advertisers, without them there is no 'BURTONIAN'!

THE VILLAGE SHOP.

Things are warming up, and hopefully we can look forward to a long hot summer ahead. So for those BBQ's we have a great range of locally supplied burgers, sausages etc, and we can take any orders you require!

We also have some good deals on wines, and soft drinks, and remember for anything you forget at the weekend, we are always open for that extra hour between 6pm and 7pm on Saturday evenings.

Dont forget Father's Day on Sunday 17th June, as we have an extensive range of greetings cards for all occasions!

We would also like to welcome June Oldroyd to the Post Office Team

We look forward to seeing you soon,

From all at the village shop.

Hornby Pool

We have been renovating the pool for several weeks and, thanks to the enormous help received, we have made wonderful progress, thank you to all who have helped.

The pool leak has not been resolved – however, it will be

We are near the end of work in the Pool Hall. The white painted walls are proving stubborn as the old colour keeps bleeding through. It will be solved!

The office is complete and the kitchen is complete except for the flooring.

We have started painting the front face of the building - there is much more to do.

The foyer is well on its way – it needs more painting.

We have taken the tiles off the showers and tiling is due to start

All the doors in the building have been painted; there are a couple left to finish off

The change rooms walls need painting.

There is a core workforce of Dave Collins, Bob & Chris our manager. However it is so much better when we get others each day to help. If you can help, please contact ..

Village Cricket.

Please note this update. There has been a revision to the date of the match. The match will now take place on **SATURDAY 21st. July**. It will commence at 3.45 and it will be a 20/20 match. We are still hoping that there will be sufficient interest to allow a junior game which will commence at 3.00.

For all of those who took part last year we hope that you will play again this year and for those who didn't manage last year then we hope that you will be able to play this year.

As last year we are hoping to pull together two sides from the village / neighbouring area.

With two months to go before the game then we are hoping that all players will be putting in a bit of practice!!

If you can contact either Mike or Mark to confirm that you are wishing to play that would be great. For those who would also like to help out on the day then please also contact us.

Contact details:

Posters to advertise the event will be going up in the next few weeks.

There is now a new page “**Coming Events**” on the Village website which has information about all dates & events (where available) and more. We will try to keep it up to date.

Keep an eye on **www.burton-in-lonsdale.net**

Village Projects

After Tau Solar offered Burton up to £30,000 to spend on the community, the Parish Council called for project ideas and a number of village groups made suggestions, many of which had been mentioned when the Parish Plan Group surveyed residents in 2014.

Some of the projects are still in progress, but we can already see the benefits of most of them. The footpath to the recreation ground is being well used and now leads to the new swings and climbing frame at the children’s playground. Half way along the path, the community orchard is developing nicely with the fruit trees in leaf and two picnic benches installed. Across the road, the outdoor gym is in use most days and rebound boards around the all weather pitch are being replaced. On the roof of the pavilion the solar panels are producing electricity which is reducing the cost of heating the pavilion. Up at the community shop the new freezers are providing reliable storage of frozen foods at an improved energy rating.

All this has been made possible not only by Tau Solar, but also by a number of village groups contributing their own funds or making grant applications.

	<i>Donations</i>		<i>Spent on (excl VAT)</i>
Tau Solar Ltd (after VAT)	£25,735.26	Children’s playground	£15,108.00
Burton Community Pub	£6,531.61	Outdoor gym	£14,000.00
Burton Regeneration Group	£5,904.76	Solar panels	£5,904.76
NY Police and Crime Commissioner	£2,000.00	All weather pitch rebound boards	£3,164.50
Harold & Alice Bridges Foundation	£2,000.00	Footpath to recreation ground	£1,571.00
NY County Council Inspire Fund	£1,000.00	Community orchard	£971.66
NY County Council Locality Budget	£1,000.00	Community shop freezers	£625.00
Lunesdale Rotary Club	£270.00		
Burton Community Shop	£250.00		
Total donations to date	£44,691.63	Total spent to date	£41,344.92

So you can see that we still have £3,346.71 in the kitty to complete the projects.

We would like to take this opportunity to thank all the organisations who have donated funds and to the project teams who decided how to make best use of the money for the benefit of everyone in the village.

Burton in Lonsdale Parish Council

Sorry – no bonfire!

In the Burtonian earlier this year, I asked you to save scrap wood for a bonfire in November to celebrate the 100 year anniversary of the end of World War 1. After detailed discussion at the Parish Council we have realised that the ground may be too slippery at that time of year to carry bonfire material up Castle Hill. We will instead set up a large brazier as our part of the nationwide chain of beacons. So please do not save your waste wood as we will use material intended for use in a brazier. If you had been saving your waste wood, thank you and my apologies for the change of plan.

Ian Thompson

Bentham Area Refugee Support Group

First of all, an enormous thanks to all who all who took part and supported our Open House Event in April and to Bentham Methodist Church for use of the Chapel. It was an amazing evening with songs, poems and stories of migration and refugees. We raised over £850 all of which has been sent to the charity Help Refugees. <https://helprefugees.org/>

On 13 May 2018 we supported Matthew Crampton's Show 'Human Cargo' at Settle Victoria Hall by manning a stall to promote the plight of asylum seekers and trafficked people, and the activities of our group. It was an epic night of story and song and a new adaptation of his acclaimed book Human Cargo: Stories & Songs of Emigration, Slavery and Transportation.

Our next event is a coffee morning in Bentham Town Hall on 9 June 2018, where we shall be raising funds for the Red Cross Refugee Services in Bradford and our Hosting Weekend at the end of June, during which asylum seekers and refugees from the Red Cross Drop In visit us for the weekend. We will have a display and information as well. Please come and support us: and any donations of cakes, raffle prizes, tombola, and plants would be very welcome.

On 20 June 2018 at 7.30pm.at the Bentham Methodist Church, to celebrate Refugee Week, Maggie Bruno will be giving a talk 'THERE BUT FOR FORTUNE....' Illustrated by power point and case examples, she will be talking about how she became involved with working with refugees, an overview of the Asylum Process, her work as a caseworker at the Bradford Red Cross Drop In Centre and the activities of our local Bentham Area Refugee Support Group. Do come and support her and enjoy a cuppa and chat afterwards.

Our next hosting weekend is 29 June –1 July 2018, when we shall be again welcoming guests from the Red Cross for a wonderful weekend of Yorkshire hospitality. We have very generous offers of help, some new hosts, and a full programme of activity, including a Celidih at Burton Village Hall on Saturday evening. If you would like to be involved it is not too late: please contact Maggie Bruno, and if you would like to make a donation to help us meet the cost of the weekend, this can be dropped off at Maggie's (5 Twine Walk, Burton in Lonsdale LA6 3LR).

To round off our summer activities, we will also be having our usual stall at Clapham Street Market on 28 July. Do watch for posters around the village about this.

LuneValley Community Initiative

Supporting the re-settlement of a Syrian refugee family within our community

We are a local community group seeking to acquire Community Sponsorship status under the Government's scheme for re-settlement of Syrian refugee families. One of our key challenges for a successful application is to demonstrate that we have funds of at least £9,000. To this end we are organising a number of fund-raising events.

On **Saturday, 23rd June**, you are invited to a **Table-top Sale** at the

Village Hall, Burton-in-Lonsdale : from 10.00 to 12.00.

Books, home-made cakes, crafts & household items / **Refreshments** will also be available

The Rotary Club of Lunesdale

Each year our District Governor chooses a charity he wishes all the clubs within the District to support. This year it is the RNLI. On 5th of April club members and some visitors were treated to a talk by Kevin Jackson the Operations Manager of our local Royal National Lifeboat Institution station. He was accompanied by Collin one of his station colleagues. There are 237 lifeboat stations around our coastline. It is incredible to fully appreciate that the brave people who give their services to this organisation do so as volunteers! They can be called out to respond to an emergency at any time of the day or night in all kinds of weather conditions, more likely than not incredibly ferocious, stormy weather. Modern lifeboats are much improved to the first one in the fleet which began operations in 1824. Since then great pioneering developments have contributed to saving 140,000 lives at sea. None of these rescues could have been achieved without the selfless courage and bravery of the lifeboat crews. We owe them a great debt of gratitude.

On Thursday 12th April 22 members and some friends, dined out at Trungs Chinese restaurant in Bolton le Sands. Everyone enjoyed the excellent variety of food and good which company ensured a very successful and enjoyable social evening.

On Saturday 12th April Rotarians collected outside Booths store all day for the very deserving charity of Stroke Awareness. As always customers to the store, both local people and visitors to the town, were extremely generous and the sum raised was £235. Thank you to everyone who put money into our collection tins and also to the many customers who stopped to have a chat with us. It is much appreciated.

On Thursday May 3rd the club celebrated its 43rd Charter Anniversary Dinner at Bentham Golf Club. This special date in the club's calendar was attended by 76 people. Guests included the District Governor Larry Branyan, Presidents and Rotarians from other Rotary Clubs plus family and friends. The meal was excellent and enjoyed in a relaxed atmosphere with lots of chat and laughter. Guest speaker was Sam Boatwright who is famous for his epic running and cycling events in both the UK and the USA. Sam's humorous after dinner speech about his epic adventures had the audience enthralled. To date Sam has raised over £35,000 for "Help For Heroes" which the club has donated to.

The club will entertain 12 children from Belarus on 4th July 6 girls and 6 boys age from 7-to 12yrs. If you would like to donate any used, clean clothing for the children please tel 015242 73166. There is always a need for clothing. Thank you for the cuddly teddy bears already received.

Llanddulas Male Voice Choir - Date for your diary Saturday, 22nd September

The club is proud to announce it will host a visit from the Llanddulas Male Voice Choir who will be in concert in St. Mary's church Kirkby Lonsdale at 7pm. Under the musical directorship of Eirlys Dwyryd, an accomplished pianist and harpist, the choir will entertain with a programme full of variety, making this a unique and unforgettable experience. Tickets, priced £10, are limited and will be on sale from the Tourist Information shop Kirkby Lonsdale from the beginning of July. We are confident that this concert will be very well supported so please do not delay in buying your tickets when they come on sale.

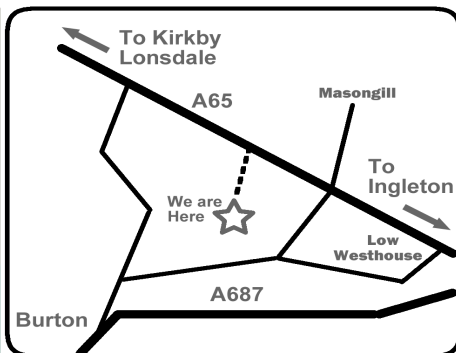

If you would like to know more about your local Rotary Club then please telephone the above number.

STAMPS!

It was so lovely to get a box full of interesting and ordinary stamps to sort and trim and send off. The virus that so many of you may have had was timely for me..Sorting stamps is a meditative task and it was as much as I could do for a while! The free-post means I don't even pay postage when I send them off.

Today I saw that there is another bumper crop. How wonderful. My late uncle Peter who came to Britain as a little Jewish refugee (as did my late mother) from Nazi Germany collected stamps avidly as many did in the mid 20th century. His collections raised quite a bit of money.

I learnt all sorts of things through collecting stamps myself-though I was not so dedicated a collector.

But this latest crop has so many beautiful stamps-from Britain-but also some stunning picture stamps that show animals from Tanzania for example. And from Germany which are so familiar to me.

So I am working my way through them with pleasure knowing that the Leukemia charity I support will sell them on at stamp fairs and raise money that way.

Thankyou kind donors - or it may be just one person. it is really appreciated.

More soon,

Thankyou again for this continued response,

Gwenda Meredith

Lifestyle

How many days does it take for you to get bored in the summer holidays? Well, why not do something more exciting, spend time with your mates and maybe bag yourself a fantastic prize?

This summer we are again running our popular Lifestyle Challenge competition which is open to all 10 – 17 year olds who are resident in York or North Yorkshire. We challenge you to get together with your mates, think up a project you can carry out to benefit your community and then DO IT! As well as doing something great for your community, you'll also be in with a chance of winning a fantastic adventure holiday for you and your friends.

Projects carried out in last year's challenge include bake sales, vintage tea parties and events at a care home in Ripon, tidying up open spaces in Scarborough and York for the local community to enjoy, the creation of a safety app for visually impaired people to help them get around Knaresborough, and supporting a foodbank in Northallerton.

Please find attached link to the launch of Lifestyle 2018

RUN IN THE PARK

Why not get in training for the Fun Run by joining the Run in the Park group? We meet every Saturday, running at 9.30am, with a volunteer rota to marshal the runs each week. Free of charge (showers 50p). Why not workout on the outdoor gym after your run?

OUTDOOR GYM

The new outdoor gym is proving extremely popular with families, older adults and teenagers alike. Even the bowls club have been spotted having a group workout recently (below!). A group induction session was organised on Saturday May 12th to explain the exercises and the muscle groups that benefit from participation on each item. The gym involves a balance of cardio and resistance machines, including a bike, crossfit, rower, hip swing, chest press, lat pull down, chin up, sit up and leg press amongst others. Feedback has been extremely positive, especially given the variety and simple to use equipment. The gym has been deliberately oriented to allow users to get glimpses of Ingleborough in the distance, and a view back

across the playing fields as they work out. What better way to get an all body workout with wonderful views, fresh air and bird song to listen to! We are grateful for the funding from Alice & Harold Bridges Trust (£2000), and a grant from Tau Solar, and the support of the Parish Council and BRG in ensuring the project completion.

Bentham honours VC recipients

Saturday 21 April 2018 saw the dedication service of the memorial paving stones for two Victoria Cross recipients from WW1 associated with Bentham.

Born in Bentham, Charles Robertson VC MM was a Lance Corporal in the Royal Fusiliers. He repelled an enemy attack at Polderhoek Chateau, Belgium remaining at his post with no reinforcements. He bravely defended his position despite being badly wounded.

The Headmaster of Bentham Grammar School, the Revd. Theodore Bayley Hardy VC DSO MC was a chaplain with the Lincolnshire Regiment. Under heavy shell and mortar fire, he managed to rescue several wounded men. He displayed great gallantry with disregard to his own personal safety.

The stones were dedicated in a service attended by representatives of the Royal Fusiliers and the Army Chaplaincy Corps, who laid wreaths in remembrance of these brave men, and members of the Skipton Branch of the British Legion. The service, arranged by Bentham Town Council and Bentham Churches Together, was led by Revd Anne Russell and accompanied by music from the Kirkby Lonsdale Brass Band. For more info on the VC recipients go to:

A new website about Skipton's WW1 military training and POW camp will launch at the end of May. The website will provide information about what life was like for local soldiers who trained at the camp, as well as the German officers who were imprisoned there from 1918.

We couldn't actually find the stone.....have you found it? We'd like to thank everybody who came to look at the exhibition, or to take part in the service. Also thank you to our Heritage Group and all who helped make the weekend a success.

We hope to open the church building for other events: there will be a Heritage Open weekend again in September and an exhibition during our WW1 commemoration weekend in November.

Please let us know if you would like to be involved in either the looking after of the building or church yard, or if you have ideas for future events. This is your village church and part of our community.

Each Friday morning we normally meet at 10 am in the Church Vestry for a short simple time of **Prayers for the Parish**. Do feel free to join us for about 30 minutes.

Best wishes

Catherine and Christine, Church Wardens at All Saints

Vicar Denis has been away but the Rev Tim Madeley from Bentham who stepped in to join us in our services, has added to our news:

We find ourselves half way through 2018 already! It always amazes me how quickly time goes by. As we hit the halfway point in the year, maybe we think about the resolutions that we tried so hard to keep, maybe we think back and see that 2018 has been treating us well; maybe we are finding this year to be much, much harder than we expected. However our year is playing out, we find that we are able to enjoy better weather (hopefully!) and longer days with the opportunity to spend time outside and enjoy God's creation.

For me, the half way point of the year is the opportunity to think what I have achieved so far, and what I would like to do over the rest of the year. I really enjoy spending time outside, either on the bike or running, as I find this brings me closer to God and gives me the opportunity to see where He is directing me. I know that God has a plan for my life, even though I may not see it clearly, or understand the inevitable deviations that happen, I know that God understands and can see a much bigger picture than I could ever see. May I take this opportunity to encourage you to seek God's will and see where He may be leading you. I once heard someone say that having faith is like a needing a crutch to get through life - if that is the case; I want 2 crutches to help me!

With my prayers and good wishes from your Ingleborough Team curate - Tim.

Leck St Peter's Primary School News

After a busy few weeks preparing, this week our Y6 & Y2 children took their SATs, and we are extremely proud of the way the children approached these tests. All week they have been mature and positive and we know that they have all tried their very best, which is all that we ask of them.

On Friday, 18th May 2018 to celebrate the end of the SATs week (and of course the royal nuptials), the whole school enjoyed a picnic style lunch sat out in the glorious sunshine! A perfect way to relax after a busy week.

Coming up, we have a Toddler Group Play Session on Friday 15th June from 9.30am to 11.30am, all welcome - please do come along and join us in the infant classroom.

Barn Contents Sale

Thank you everyone who purchased my Spring flowers from the shop and helped me to clear my barn by coming to my fundraising sale on 21 April, in total £580 was raised for Prostate Cancer UK which I have donated in Peter's memory.

GARDEN WITH GUNTHER

Many people have commented on how lovely the village looked during April with daffodils everywhere particularly the planting approaching Burton and on the village green. A low point in May was some oik driving a stolen quad bike into one of the village signs, flattening it. We do hope he didn't hurt himself. The

plan is to get it restored as soon as possible.

Work on the Orchard continues apace. New fencing has been erected to ensure safety from the road and sturdy picnic benches bought and assembled for your future enjoyment. Our regular weekend battles with weeds and roots will prepare the ground for suitable grass seed to be sown along with a wild flower mix. We plan to have a naming ceremony in the autumn. It will be called Brenda's Orchard in fond memory of our Pal Brenda Lavelle who would have loved to see this project unfold.

David Thorner "Gardener to the Gentry" has again provided tips for June and July.

June:

Plant out remaining summer bedding that did not go out at the end of May.

Divide snowdrop clumps as these bulbs are best moved in the green (in leaf).

Have irrigation in place, water butts, hosepipes, etc to keep newly planted specimens watered while they establish.

Give lawns a summer feed. Check roses for blackspot and greenfly and treat as required.

Tidy up daffodil foliage when it has gone yellow as slugs and snails can harbour underneath in the damp conditions.

Earth up potato plants to encourage more tubers to form and stop some going green. Stake and tie up tomatoes and pinch out any side shoots that are beginning to form.

Clip box topiary/hedges whilst growing. Keep on top of weed control not letting annual weeds such as bittercress and shepherds purse go to seed.

Support and tie in clematis and honeysuckle as the new growth can be quite brittle and easily damaged if there is a windy spell of weather.

Think about netting over soft fruit plants to protect your crop from the birds.

July:

Remove any blanket weed from ponds as this can spread very quickly in warm conditions and choke out ornamental aquatic plants.

Dead head roses and continue to check for pest and disease. Water pots, hanging baskets etc at dusk for best use and effect of the water.

Cut back faded perennials to encourage fresh new growth. Summer prune wisterias now by removing the whippy new growths to about 20cm from the main stems. Deadhead sweet peas to prolong flowering and remove unwanted tendrils – they can use up a lot of the plant's energy.

Mulch any plants that are flagging during hot spells as this will conserve moisture around the

root system.

Train cucumber stems upwards on canes.

Do not harvest all the rhubarb stems, leave some to help build up the crowns for next year.

Don't forget Pals with Trowels Plant Sale and Coffee Morning, Saturday 9th June, Village Hall 10am – 12noon.

Happy gardening – Gunther.

Recycling Information (Part I)

Waste: there's a lot of it about!! A lot of it can be recycled from your doorstep, using the blue bin collection. After doorstep collection the materials go all over the north of England to specialised materials processors for processing.

Craven District currently (2018) recycles the list of items below. They're collected every two weeks. Make sure your bin is placed outside your property or at your designated collection point by 6.30am on the day of collection. The devil is in the detail, as they say.

Plastics can be a bit complicated - look for the recycling logo (usually a triangle of three arrows with a number in it) – more in the next issue about these. As a rule, plastic bottles and

Glass	everything, EXCEPT pottery/ceramics, window glass, light bulbs, Pyrex and spectacles
Cans	All food/drink, biscuit and sweetie can and tins. NO aluminium foil, crisp packets, pots, pans, paint tins, cutlery
Aerosols	only household aerosols, emptied of contents, and remove caps
Plastic Bottles (Types 1 & 2 only)	e.g. containers for milk, pop/drink, shampoo and hair conditioners, washing up liquid, fabric conditioner. Logo has a 1 or 2 in it. You can also put bottle tops in the bin – take off the bottle before putting in the bin. Don't put in margarine tubs, yoghurt pots, ready meal trays, plastic carrier bags, plastic film, plant pots, vending cups
Cartons	(Food and Drink Liquids) soups, milk & drinks only – wash & squash before putting in the bin
Paper	Newspapers, magazines, brochures, junk mail, envelopes (not window envelopes, wrapping paper (not foil/holographic) office/writing paper
Cardboard	cardboard packaging, food packaging e.g. cereal boxes, food sleeves, egg boxes, paper roll inserts, greetings cards.
Telephone Directories	white, yellow, catalogues. No hardback books/directories, window envelopes, wallpaper, Jiffy bags (mixed materials), normal household waste

food containers (not paper) should be rinsed, drained and squashed before putting in the bin.

Here's a quick guide to what Burton in Lonsdale residents can put in the blue bins:

President's Visit – Latest

By our Political Correspondent

Most people in the UK will be looking forward eagerly to Donald Trump's visit in July. What is not well known is that he has asked if he could spend some time in a typical English village. Even less well known is that a select team of dedicated people have been working tirelessly behind the scenes to convince White House officials that Burton in Lonsdale is the place the President should visit.

Substantial arguments have been put forward extolling the virtues of Burton. It has a diverse mix of old and young, low and middle class and rich and poor. There is a strong community as evidenced by the community owned Village Shop which is patronised by at least 60% of the residents. There is a community orchard which will be safe to walk in once the ground has been levelled. The new community outdoor gym is proving a hit with youngsters when they get bored with the playground. In November there will be a community concert to commemorate the 1918 Armistice and the appeal for volunteers to take part has been unbelievable. Both churches have a core of regular congregation members and Donald will be found a seat if he chooses to worship. There are a number of vibrant clubs and societies: the WI, Pals with Trowels, the over eighties (aka the Bowling Club) and the table tennis group amongst several others. The village has a strong affection for all things American as demonstrated on film nights when the organisers keep a look out for a quality American film and will show it whenever a good one comes along. There is virtually no crime in the village, unless you count the occasional exceeding of the speed limit but the police vigorously try enforce the 20 mph limit through the village. The traditional English village pub will probably be open, depending on the timing of the visit, but if it is open he can be sure of a warm welcome from locals who are renowned for their generous hospitality when strangers drop in for a pint.

So all is looking set fair, or it was until a White House functionary asked the question our team had been dreading, "Does Burton in Lonsdale have a tanning salon?" The word was that Donald has to top up his tan every day. Apparently this could be a deal breaker unless we can get a salon, complete with nubile female assistant, up and running in the next few weeks.

Watch this space.

Village Hall

Not much to say this month. Just instructions on use of the water boiler.

Open the bottom tap (blue one)

Switch it on

Wait for the water to heat up-give it 10 minutes at least

When finished your event, close the tap

Empty the boiler into a bowl and dispose (or use)

And just another plea about sweeping up. It takes a few minutes to sweep the floor, please do it when you have finished and put the furniture back where it belongs.

Thanks

Burton in Lonsdale PARISH PLAN

The PPT as was...

The Parish Plan Committee has now disbanded the organisation following what has been a very successful few years of village improvements by a large number of people and organisations. So, time for a recap of what was asked for, and has been achieved.

Community Orchard	Open Pub
Improved village events communication	Bike Track
Heritage attraction – still on the agenda for some of us...!	Outdoor Gym
Waymarked walks (printed versions available)	Biking Club
Pavement to Rec Ground	Faster broadband access
Heritage trail – in progress	Sports Pavillion
Better climbing frames	Archery Club
Classical Music concerts	Running Club
Table Tennis Club	Benches
History Society	Film Club
Affordable Housing (under discussion)	
Pub refurbishment/Entertainment – under new ownership	
Speed Detector signs (we had some on loan for a while)	

We tried but were unsuccessful with:

- Reducing heavy traffic, changing driver behaviour (we had signs but we were threatened with prosecution)
- New Housing organisation run by the village
- More buses to village
- Bus to Kirkby (organised but no one used it)
- Bollards on pavements on high street

Most items were achieved by a small number of villagers, rather than by members of the Parish Planning Team itself. So all in all, a successful Parish Plan. And a lot of hard work. Some things might have happened anyway, but the PP provided a catalyst for people, though it was disappointing more people in the community decided not to get involved. AND – disappointing that we did not achieve the impetus to take control of Burton's future, rather than it being dictated by events.

The final act of the Parish Planning Team was to donate its surplus funds of £443.31 to the Parish Council to contribute toward the cost of the permanent beacon brazier the Council had previously committed to buying for the village, to be used for the commemoration of the centenary of the Armistice of the First World War on 11th November as well as for other community or national events in the future.

So many thanks to everyone who helps to make this village what it is.

Your outgoing PPT committee Mike, Andy, Julie.

Burton-in-Lonsdale WI May 2018

We held a Fashion Show at the end of April, bringing in Carnforth boutique Kitty Brown to show a selection of clothes and accessories, modelled by our own members. The event was very successful, attracting 44 people from the village and elsewhere.

Our May meeting was held in the Methodist Rooms due to the Village Hall being used as a polling station. Instead of inviting a guest speaker, at the May meeting members discuss and then vote on the chosen resolution to be debated at the National AGM. This year the resolution demands that mental health matters as much as physical health, and that WI members should take action to make it as acceptable to talk about mental health issues as much as physical health issues.

Other resolutions which had been put forward were also discussed, including the problem of modern slavery and FGM. Jane Burns came to describe her plans for a floral display by the War memorial, to incorporate as many knitted or crocheted poppies as we can make. Afterwards everyone enjoyed sampling various puddings provided by the committee, and held a small bring-and-buy sale.

Our next meeting at 7.30pm on June 7th in the Village Hall will have a special canine guest and his owner on behalf of the Hearing Dog charity. All welcome.

Burton in Lonsdale Community Concert

WE NEED YOUR HELP

As part of Burton's commemoration of the centenary of the Armistice a community concert will take place on November 10th.

The clue is in the word 'community' – this means people from the village or nearby taking part. We need:

- Children of primary school age to do short readings
- At least two young, male, students to perform a very short play
- People of ANY age who would like to perform a dance, sing a song, play a tune, be a comic...up to you
- Soloists or small groups

You **DO NOT** need to be a polished performer;
no one will be. Acts simply need to be:

- In style and content suitable for late 19th/early 20th century
- Ideally referencing the First World War – though that is not essential
- No more than approximately 5 minutes long
- Light-hearted or serious – the concert will be a celebration as well as a commemoration

Acts will rehearse themselves but need to be available for dress rehearsals from 7pm-10pm on 16th October and 7th November, and of course for the performance itself on Saturday afternoon, 10th November.

If you or your son/daughter would like to be involved in the programme please contact
Mike Biles on 63294—mike.biles@rismove.co.uk
or Mike Lavelle on 62903—lavelle.mike@gmail.com

3km FUN RUN, SAT JULY 7th 11am (Registration 10-10.45am)

The fun run is set for Sat July 7th with the usual 3km grass track race, followed by a range of other activities, including: tug of war, orienteering, relay races, parachute games, boccia, post-race massage from Rebecca Humphreys and more. Refreshments include teas, coffees, cakes and ice creams on sale at the pavilion. We are grateful for the dedication of a volunteer committee including Bentham Beagles representatives in organising the event. ENTRY FORMS from:

Sue Gregory bilparishcouncil@btinternet.com;

Mark Christie markchristie101@outlook.com;

Village Shop; and via Diane Armstrong at Bentham Beagles. The Beagles will be using the race for junior championships and development.

Entry is only **£3 adult, £2 U18 and £8 family of four**. Please enter as early as you can by returning your entry forms to the village shop or to Sue Gregory to help with administration on the day (you can pay on the day too). All proceeds will cover event costs and go to future village projects, including covering cost of provision of medals and goody bags. Tommy Sedgewick is our VIP starter, and Councillor David Ireton will be on hand to hand out the medals to all finishers! You can walk, jog or race!) around the 3km grass track course. A trophy for the winner, last time youngster Ben Greenep took the trophy in a record race time. Can an adult win it this year? (No pressure everyone!).

Community Led Housing

In the Craven District Local Plan now submitted for approval, our former primary school has been allocated as a site for new housing. What sort of housing will we see there ?

We can either sit back and wait to see what a developer chooses to build or alternatively we can take the initiative and decide ourselves, by taking advantage of a scheme called Community Led Housing.

A small group has been set up to put together a proposal for discussion at a public meeting later this year.

We want to address two housing problems – the high price of housing in Burton which prevents young families from living here and the design of traditional cottages which no longer meet the needs of residents as they become less agile.

We believe that we could build 2 and 3 bedroom family homes on the playing field and convert the school building to provide single person apartments all of which would be highly insulated and therefore with low heating costs.

We have engaged an architect to draft a design for the site to meet these housing needs. If you think there are more important problems to solve, please contact Ian Thompson as soon as possible. Even better, would you like to help us design the proposed scheme ?

If the public meeting supports taking this idea further, we would then set up a separate legal entity such as a Community Land Trust to finalise the design and manage its delivery. The CLT would be another opportunity for you to participate if you are willing.

Bentham Film Group

For the tenth anniversary of Bentham Film Group will be showing on **Friday 1st June** the film '**Hidden Figures**' (Cert PG) in Bentham Town Hall.

Nominated for numerous awards, this is a 2016 American biographical drama based on the true story of three black female mathematicians, African-American women, Katharine Jonson (played by Taraji P. Henson), Dorothy Vaughan (Octavia Spencer) and Mary Jackson (Janelle Monae). The visionary women cross all gender and racial lines to become the inspiration for generations in their work at NASA, as they serve as the brains behind the launch into orbit of astronaut John Glenn during the Space Race, following the successful Soviet launch of Yuri Gagarin.

As usual, the film starts at 8pm and tickets cost £5 on the door.

There will be a raffle and refreshments in the interval.

Please accept the group's apologies for the last minute cancellation of our showing of the film 'Goodbye Christopher Robin'. This was caused by circumstances beyond our control. We look forward to seeing you all in June.

Share your views on Neighbourhood Policing in North Yorkshire

About twelve months ago, changes were made to the make-up of North Yorkshire Police's neighbourhood policing teams. I am keen to find out if these changes have been successful, and to know if people are satisfied with local policing—and as always, if people feel safe.

The best way for me to do this, is to hear from yourselves, other representatives, residents and business, of the very people who rely on their local PCSOs and officers to keep them safe.

The survey opens on Wednesday 23 May and will close on 29 July.

It is available on-line, at: www.telljulia.com

As Neighbourhood Policing is such an important and highly valued part of the service the police provide to the public, I would be very grateful if you could support this initiative and encourage people to participate.

The Neighbourhood Policing Survey will be distributed online, via the media, and will be made available in public buildings such as libraries and council offices across North Yorks.

The survey runs until Sunday 29 July and we'll use the results to look at how we can make sure community policing reflects the needs of local areas, as best we can.
